Dear Kathy,
Often there are 5 children with intelligence it causes more problems than if she or he were stupid. All one can do, I guess, is to endure all those who can't recognize this intelligence (add all the other qualities you possess - yes, I do notice) and feel secure that I admire you very much. Please take care.

HAWK ACTION— THROUGH THE EYE OF THE HAWK

The red-tailed hawk glides smoothly and gracefully through the deep blue sky, picking up momentum evertime he forces his tremendous wing-tips into a flapping motion. As the gliding continues, his powerful eye watches protectively over his territory. The radiant golden eye, which sees almost ten times better than the average human's, searches for action.

Still soaring, farther and higher over small communities, the mighty yellow eye is drawn to a sparkling corner of the world. While hovering above, the piercing eye witnesses you, *at a time in your life that offers exciting new experiences, life long friendships, and myriad opportunities.* The eye of the hawk *views all at Procter R. Hug High School in the year of nineteen hundred and eighty-two.*

FLIGHT

The hawk takes flight. By motivating his powerful wing tips and tail, he gradually gains speed and height. Soaring with control, he spontaneously bellows a loud piercing shriek initiating the activity of Flight.

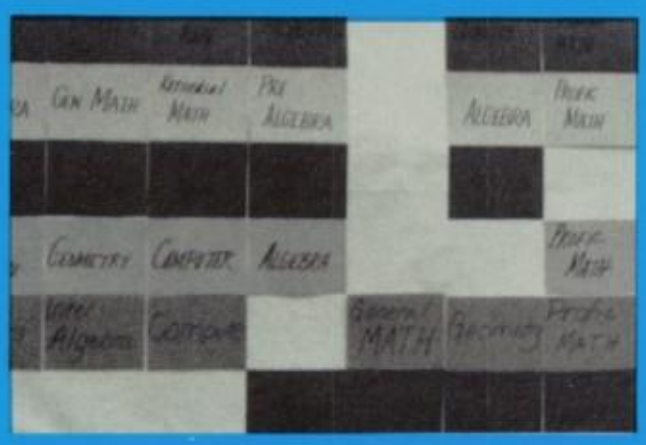
REGISTRATION: SIGNING A YEAR AWAY



As you walked into the gym on registration day, you saw numerous lines of people with dazed expressions on their faces. They were all going to sign away six hours per day of the their lives to unsuspecting teachers. Inside, people were scurrying around frantically trying to rearrange their whole schedule because Spanish 5-6 was filled. Registration is always a very harrowing experience since one must live with the decisions one makes this day for 180 days to come. But, it is always a day to meet new people, including teachers, and to reunite with the old friends.

BETTER THAN EVER

The first assembly really was "Better Than Ever." It ended the first week of school by giving great expectations of the coming year. The assembly opened with an unexpected special delivery package which Mr. John Gascue eagerly opened. To everyone's amazement, Hug High's very own mascot, Paul Williams, flew out and joined the rally squad in their opening routine.

During the assembly the cheerleaders presented their many awards to Mr. Gascue, including the spirit stick and many ribbons. Our mascot also presented his awards; a trophy, the Unity plaque and various ribbons, to our principal. The Shamrock Drill Team gave the audience a sample of their creativity and precision. There were spirit competitions including the Class Oath Competition won by the freshmen and the competition for the claw which was awarded to the juniors. Various teams were also introduced: the boys' and the girls' tennis teams, the boys' and the girls' cross country teams, the soccer team, the freshman football team; and for the finale, Coach Bob Floyd introduced the 1981 varsity football team. All together, these made up one of the best assemblies ever.

Kathy, I hope I see a lot of you this summer. and I plan trying like hell to. You have got a unique sexuality about you and I would like to experience some of it.

All My love,
Sandis

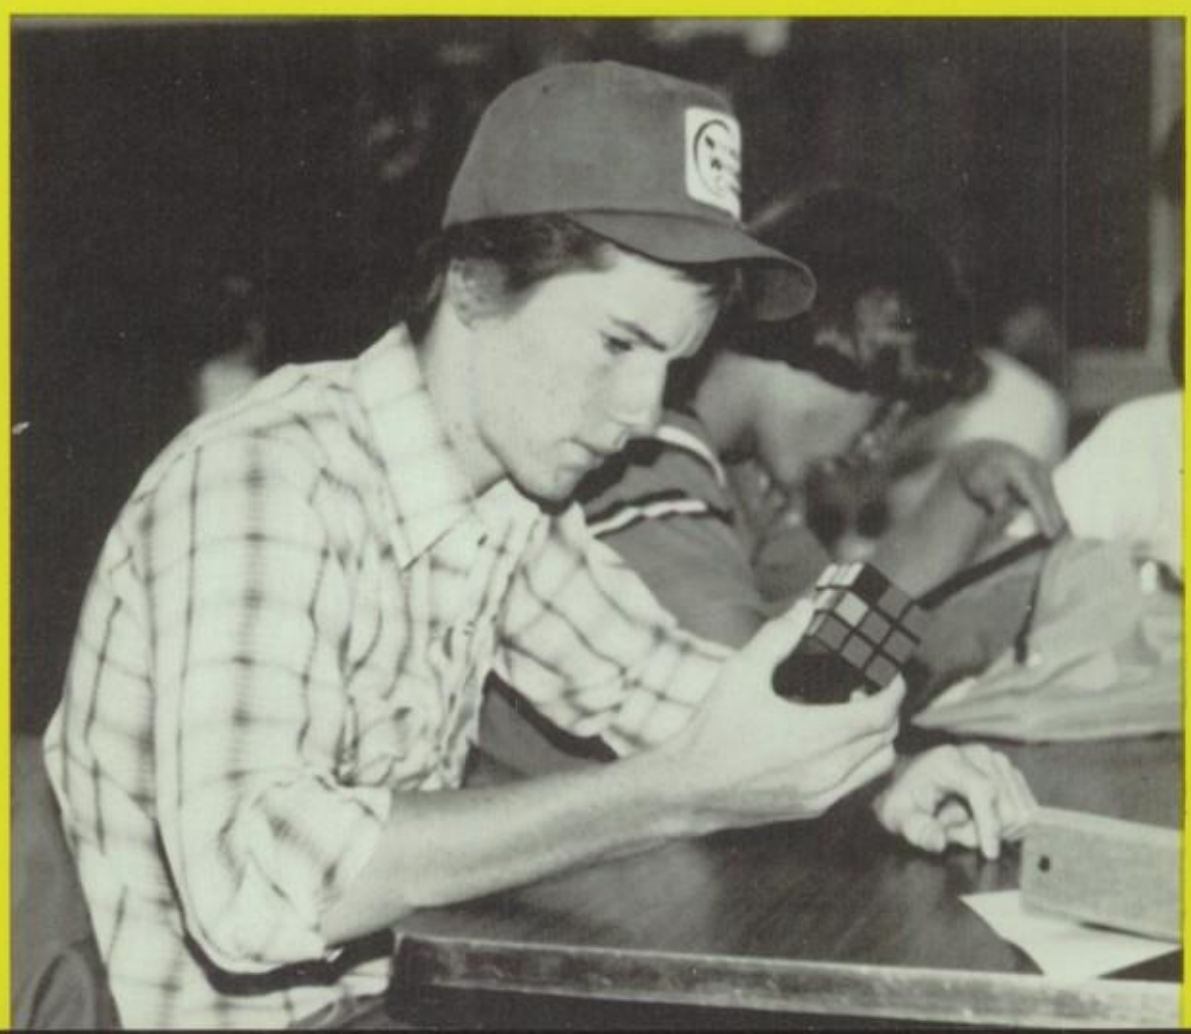
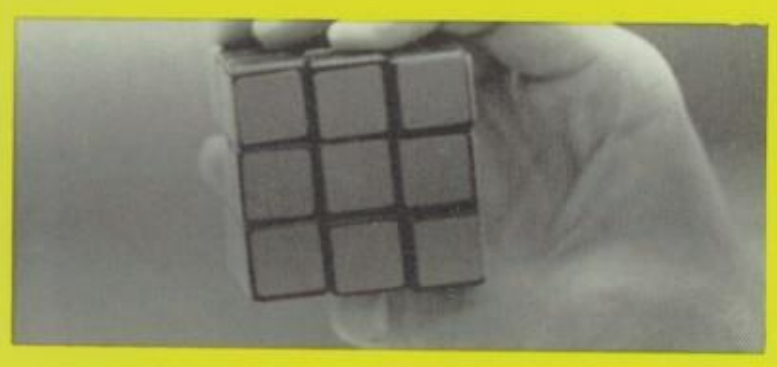
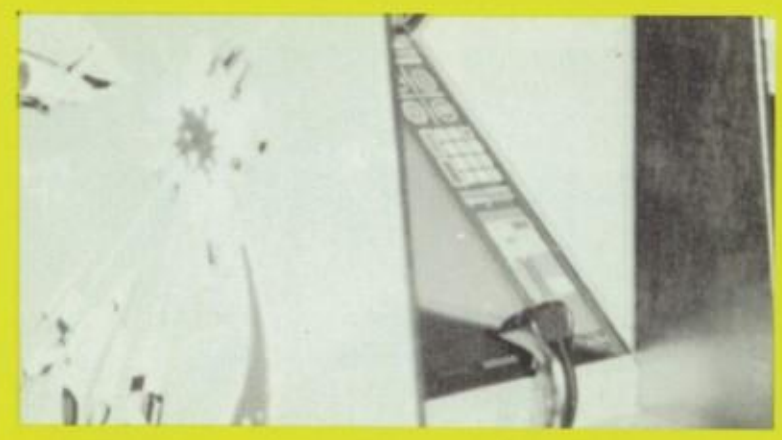
WANTED



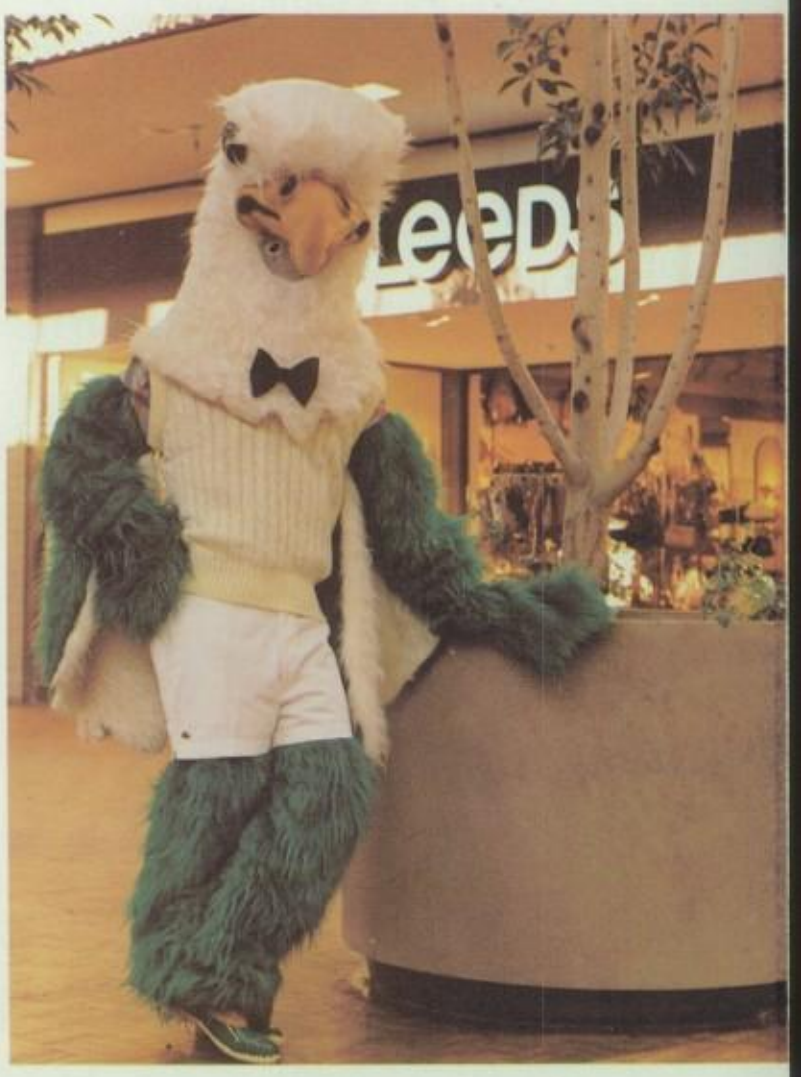


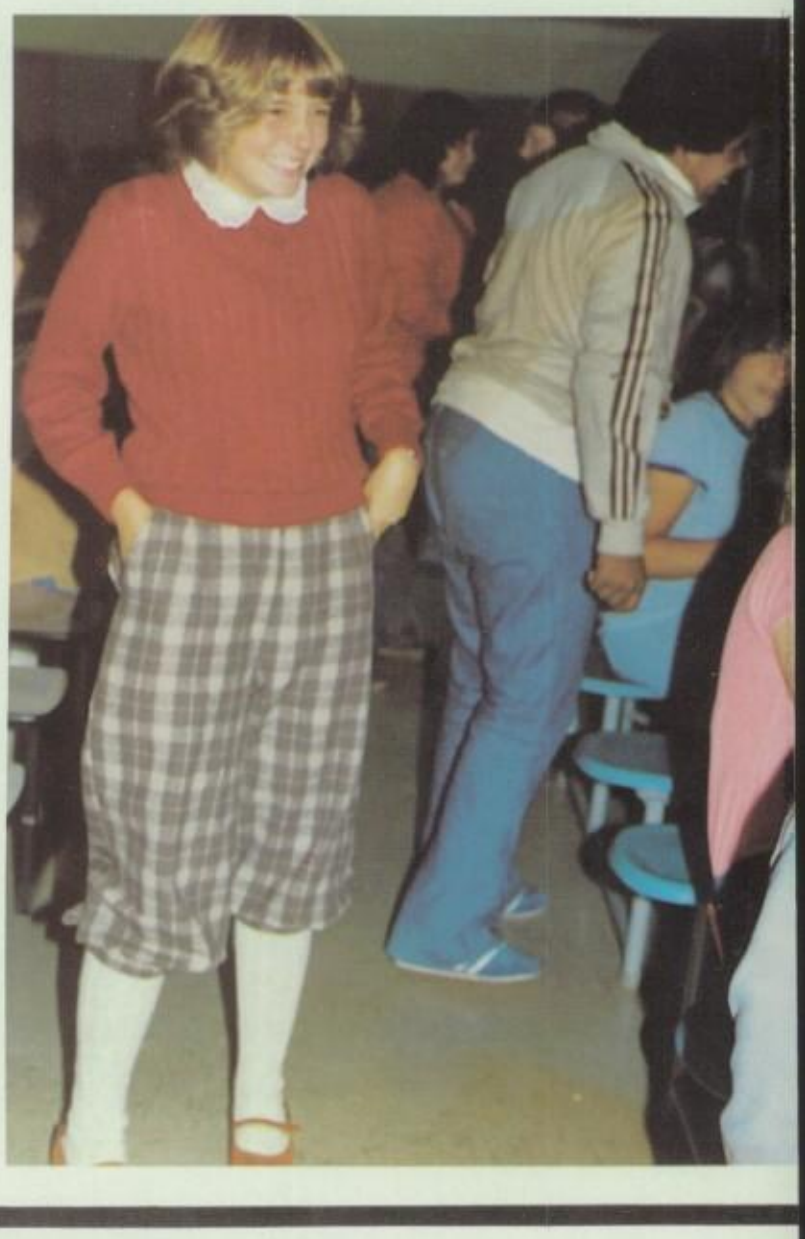
GAME JUNKIES

Click, Beeb, Beeb, Beeb! These are familiar arcade sounds made by popular electronic games, ranging from Pac-Man to the Pin-Ball games. Hours, quarters, and much body language are spent on those machines that test skills and boggle minds. Players keep going back trying to top the highest score, to outdo their friends, to impress on-lookers, and to light up the lights.

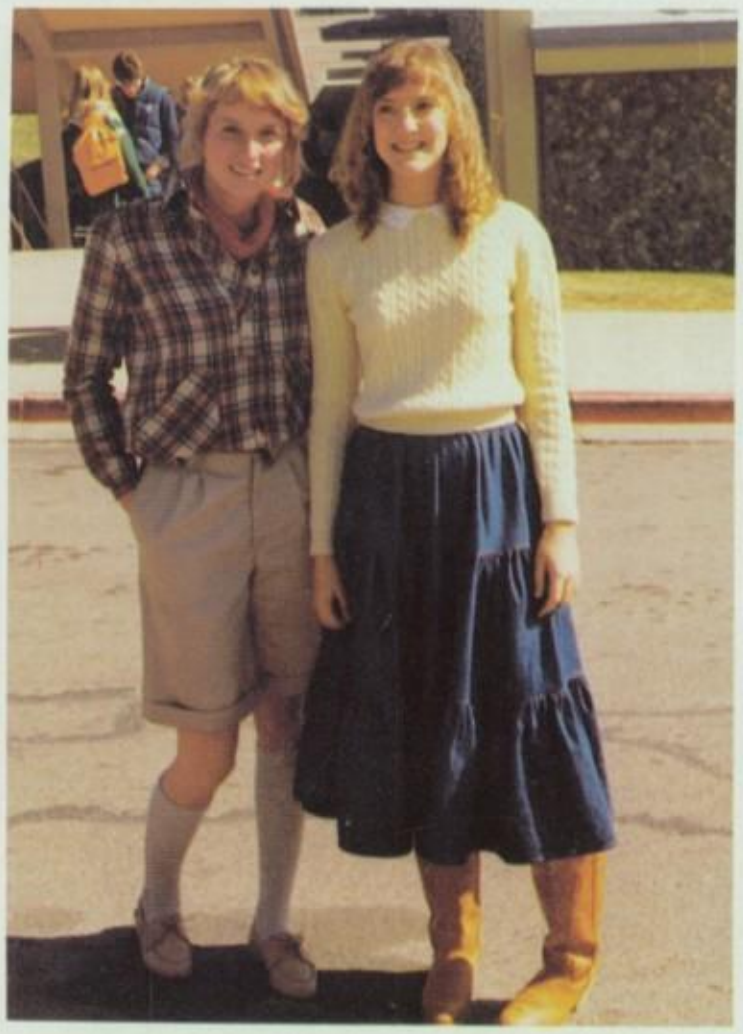


HAWKS en VOGUE





What is the well-dressed hawk wearing this season? If you look around campus, you'll see everything from preppy to punk. Shoes this year included topsiders and Vans. Knickers, alligator shirts, and button-down Levi's showed up in several classes this year. Hawks were once again en vogue. Hawkeye's fashions courtesy of Weinstock's.



PIGS TO PUNK: Fads In '82

When 1982 arrived, some of the things it brought with it were pigs dressed in human clothing, people with red hair jumping around and wearing Devo glasses, and a fat little yellow cartoon cat talking back to everyone. Female rock star, Pat Benatar sold out records and concerts, while Alabama got country fams rowdie. Then Devo advanced with their own style of punk as Rush, Styx, and AC/DC kept true rock and roll alive. Even opera star, Luciano Pavoratti thrilled many. And visuals weren't dead either. Adventurous* Raiders of The Lost Ark *and* Superman II *kept the box office hot, clean through winter. These bizarre fads and several other wild and crazy things introduced into 1982 new times and experiences.

FACE IT! WE'RE AWESOME

This year's homecoming assembly had an extremely good turn-out including many alumni who were there for the excitement. A presentation of school logos made by the art club got the assembly off to a good start. Next, the finals for the A.A.G. competition was held between each class. The victors were the class of '83 beating the awesome (ha-ha) class of '82 in the tug-o-war competition. Mellowing out the crowd for a few minutes was Lyn Sheppard singing "Out Here On My Own." The queen candidates were then escorted around the gym. Loud applause and screams filled the gym as each candidate passed.The assembly came to an end when the spirit claw was won by the class of '83.

This year's homecoming week contained numerous dress-up days and fun-filled events. It began on October 19 with sweats day and Roller King Night. This was followed by 60's day and Almost-Anything-Goes competition between the freshmen and sophomores. The sophomores pulled through undefeated. On Wednesday, each class dressed in separate colors with seniors wearing blue, juniors in red, sophomores in white, and freshmen in brown. During lunch the seniors were defeated by the juniors in A.-A.-G. Thursday was Halloween day; this seemed to be the highlight of the week as many clever and imaginative goblins roamed the halls. A new-wave splash rally dance was held in the rally court and students really kicked up the dirt dancing. Friday was green and white day and the big assembly. Saturday ended the week when we defeated Reed 46-21. A victory dance was held in the gym Saturday night.

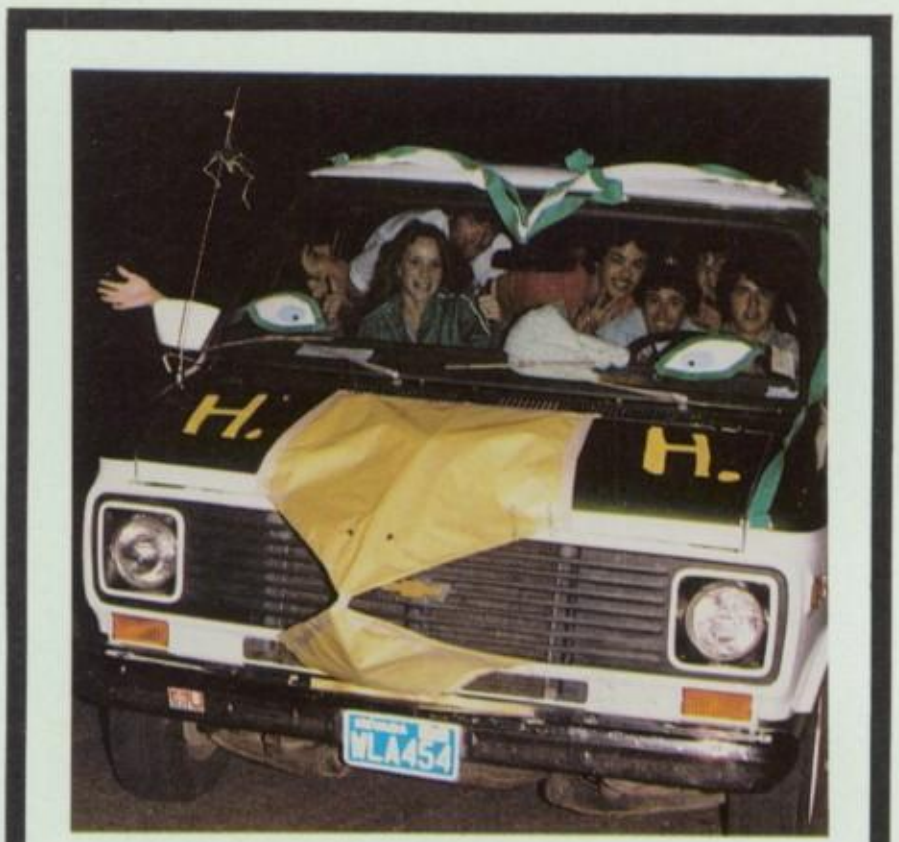
HOMECOMING FEATURE: RAIDERS OF THE LOST CAUSE

Our homecoming week turned out to be very successful when students, parents, and many alumni cheered our Varsity team to a 46-21 victory over the Reed Raiders. Halftime activities added to the week's excitement with the drill team and cheerleaders forming H.H.S. on the football field and with Kim Hamilton being crowned 1981 homecoming queen.

CHOW DOWN!

The luscious aroma of freshly grilled steak drifted throughout the Hug campus as Hug students and guests arrived for the annual barbecue. A five-dollar ticket bought a delicious dinner: steak, baked potato, salad, corn, French bread, ice cream, and milk or coffee. Music, supplied by Martin Mueller in the rally court, completed the festive barbecue, all arranged and supervised by Conrad Theiss.



HAWKS ON THE RAMPAGE

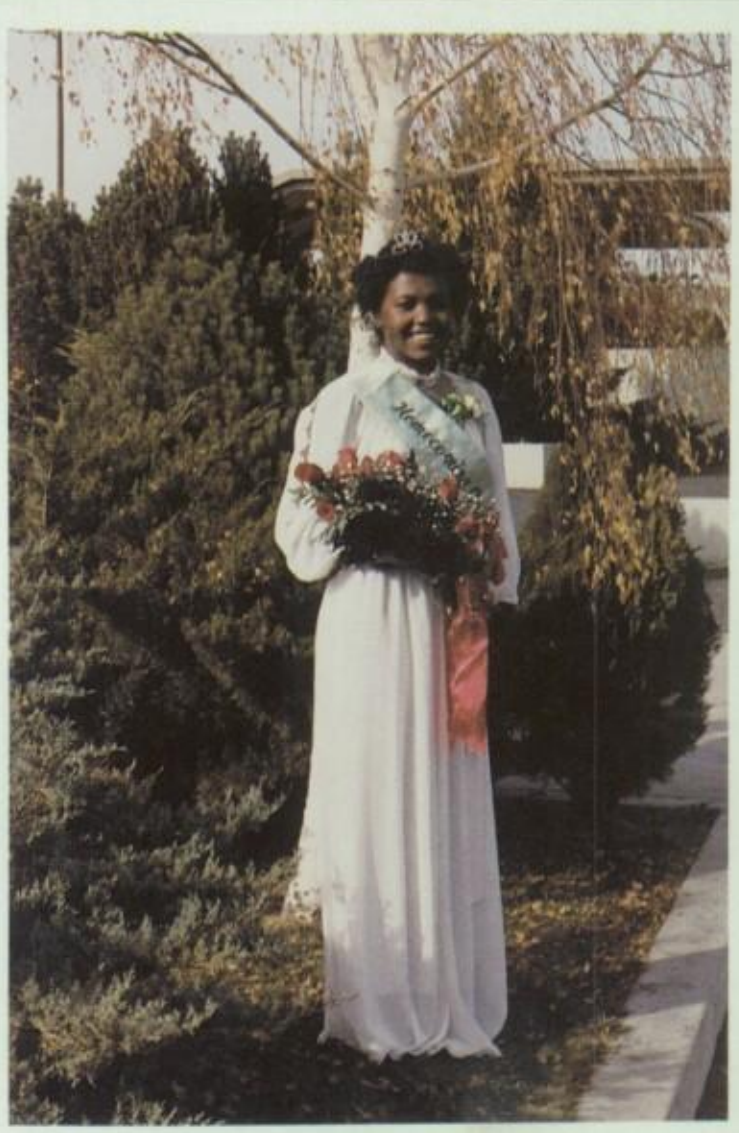
"Hey you guys hurry up! They're going to start!" was heard as people scurried to adorn their cars with additional streamers, paint, tape and balloons. Winners, according to chairman Yvette Hall, for the best decorated cars, were Troy Book 1st place, Kim Tishler 2nd place, and Tammy Monachelli 3rd place. Then cars cued up for the grand parade. Reaching the top of McCarran and Sutro and looking back, one could see lights winding all the way back to the parking lot and as far as the eye could see in front. Downtown Reno greeted the rally with happy smiles and waves, but upon reaching Hug, a few overly enthusiastic students decided to "visit" Reed. Red and blue lights greeted the ones that went. And so the Hawks headed for home, subdued.

INVASION OF THE PUNK ROCKERS

Our victory Homecoming Dance was a great success. We had one of the largest turnouts that Hug has ever seen. After a slow start the M.C., the Prince from K.C.B.N., got the crowd excited with "Our Lips are Sealed." The sound of clapping along with uproarious shouting filled the gym. It wasn't long before many couples were dancing on stage to many of today's hits. A Devo hit wrapped up the dance and our 1981 Homecoming week.

The student body must have had a tough decision voting for homecoming queen this year because all the nominees were special. During game halftime, the candidates were presented, the crowd grew silent, and, finally, Kim Hamilton's name was announced as the winner. After hearing her name, she jumped into her escort's, Damon Ingram's arms. Her happiness showed through tears of joy and a beautiful smile.

1981-82 homecoming queen nominees were from top to bottom, left to right: Anna Dunn, Kelli Kelly, Kim Diullo, Kim Hamilton, and Brenda Gerbatz.

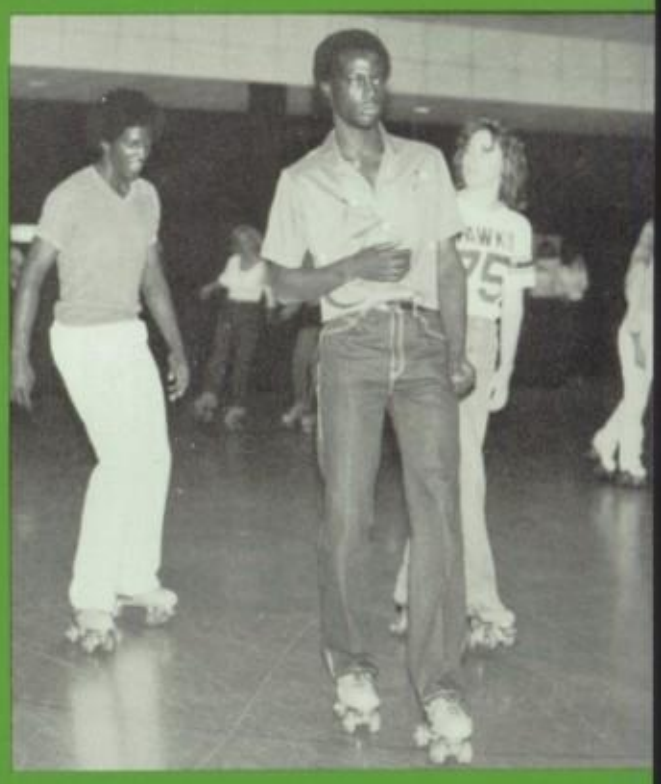


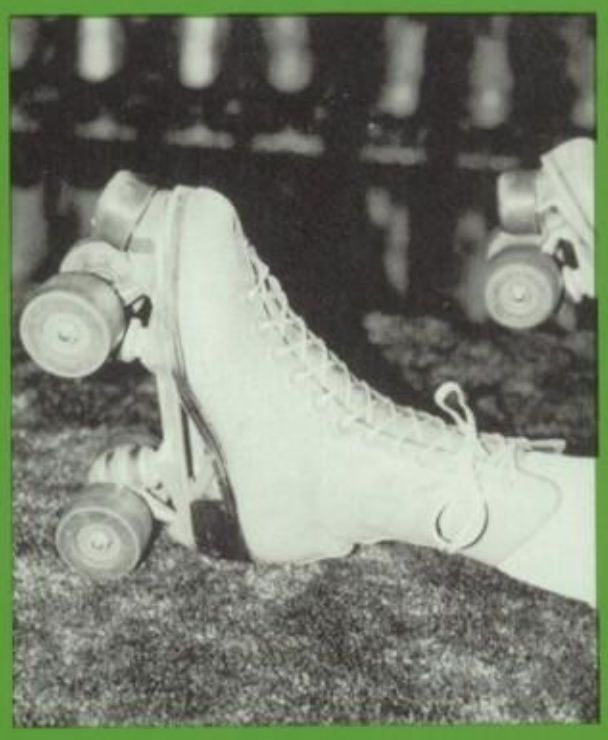
1981-82 homecoming escorts: John Shaw, Landis Hanson, Damon Ingram, Billy Campbell, and Eric Cox.

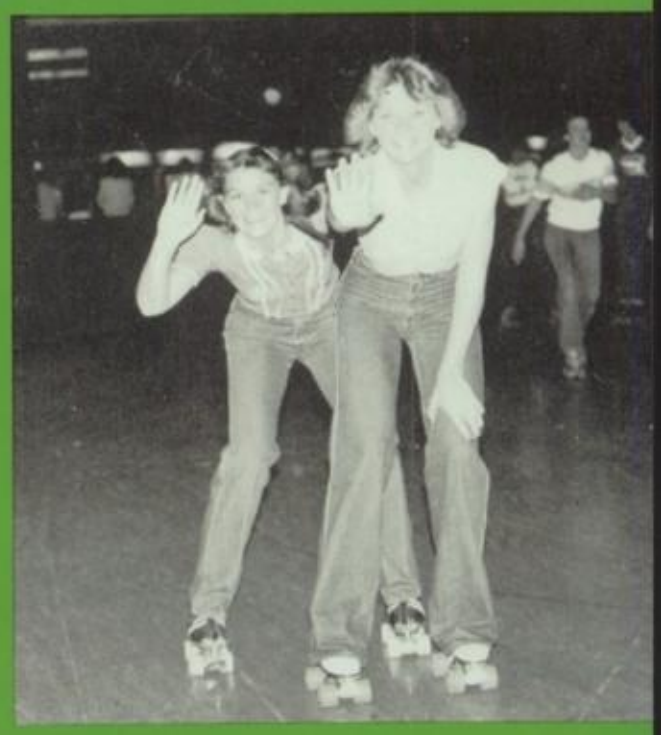
THE BEAUTIFUL PEOPLE

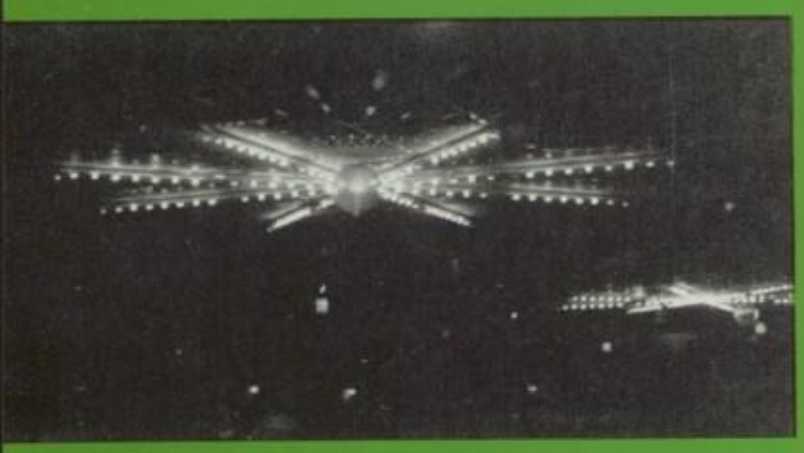
ROLLIN' ON THE RINK

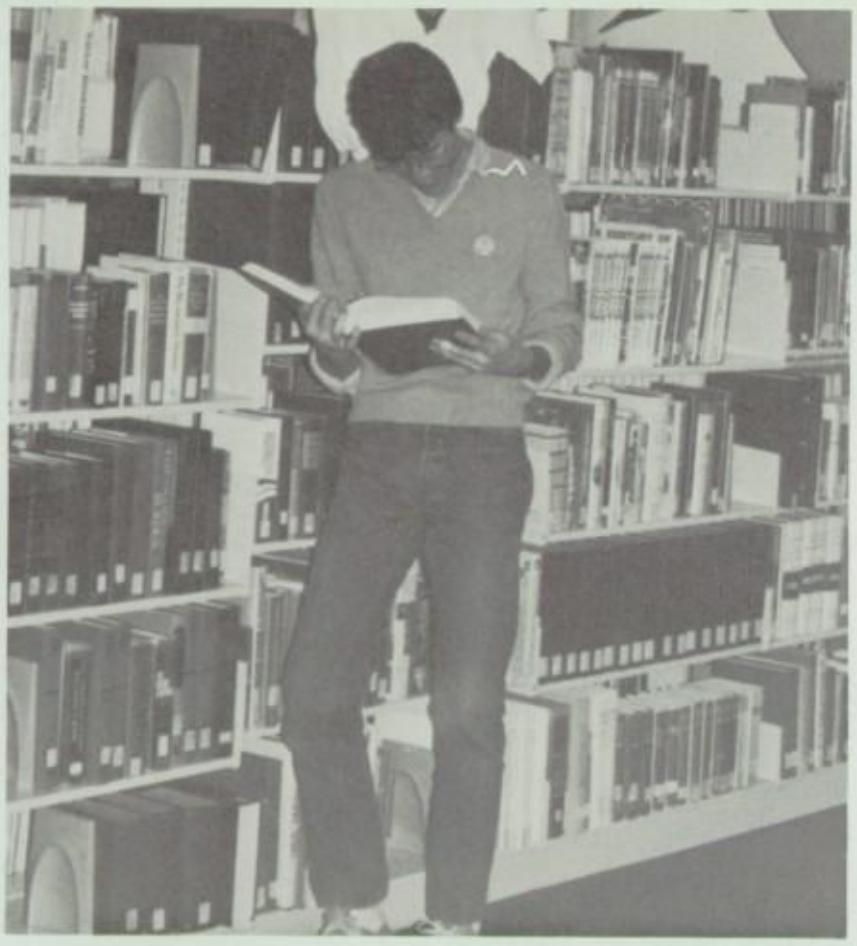
Skate night was its usual barrel of laughs and fun. For example, Shelly Foss took a couple of unexpected falls during the night, the songleaders showed up wearing their "Devos", and Chris Oliphant and his date did a little disco dancing while on the rink. A triple skate, called the crazy trios, proved interesting; not to many people collided.











FUTURE POLITICIANS?

Young people from all over Nevada met in the summer of 1981 for Boys' and Girls' State. The program gives students the opportunity to be elected by fellow students as governors, mayors, city clerks, district attorneys, and other important positions of city governments. To learn the ways of our system they set up mock governments, which may have given them ideas for future careers and for being informed citizens.

FALL AWARDS

While athletic awards were being handed out, entertainment that couldn't be seen on T.V. was exploding in the cafeteria at Hug High.

This year's highlight kept awake the usual sleepers. Mrs. Holmes gave a "Hit me with Your Best Shot," of the boys' tennis team at zone.

After the usual storytellers gave the audience vicarious experiences of the past season, the outstanding athletes were introduced.

Cross country ran away with the awards. Cindy Barr put her best foot forward to receive "Most Valuable," Kim Williams and Sharon Barr received "Most Improved."

Girls' Tennis got swinging when Kathy Meyers received outstanding singles. Marie Johnson and Terrie Lynch raised a racket when they received outstanding doubles. Sue Tischler, Most Inspirational, and Shelly Foss, Most Improved, were also big hits.

Girls' basketball was bouncing with outstanding players. Brenda Gerbatz received Best Defensive and Captain; Sandy Auble was chosen for Most Valuable; Norma Sheppard received Most Improved; and Janis Williams received Most Inspirational.

Menu Changes; Appetites Stay The Same

As the 12:24 bell rang on November 25, hundred of hungry Hug students entered through the cafeteria doors for the annual Thanksgiving luncheon. Although the menu consisted of chicken instead of turkey, the students seemed to have a good time. The decor of the room was smartly done in green and white crepe paper, and an artistic creation of the first Thanksgiving decorated the wall. Traditionally, the tables were covered in white table cloths and freshly cut flower centerpieces were placed everywhere. Students also feasted on sweet potatoes, rolls, vegetables, milk, and ice cream. The music was supplied by the Martin Mueller sound system.

They Ate, Drank, And Were Definitely Merry

On the evening of December 9, the Hug cafeteria was seized by images of Elizabethan ghosts from the past. In reality it was Little Willy's Gang reigned over by Queen Elizabeth, Mrs. Joanne Walen. The group authentically created a Renaissance feast to raise money for a trip to England. Dressed in elaborate attire, the gang members performed excerpts from The Taming of the Shrew, *sang madrigals, and then served guests roast beef, turkey, "wassail" and "Trifle". It's easy to see that these lovers of the Bard and his times really can get into the act, too.*

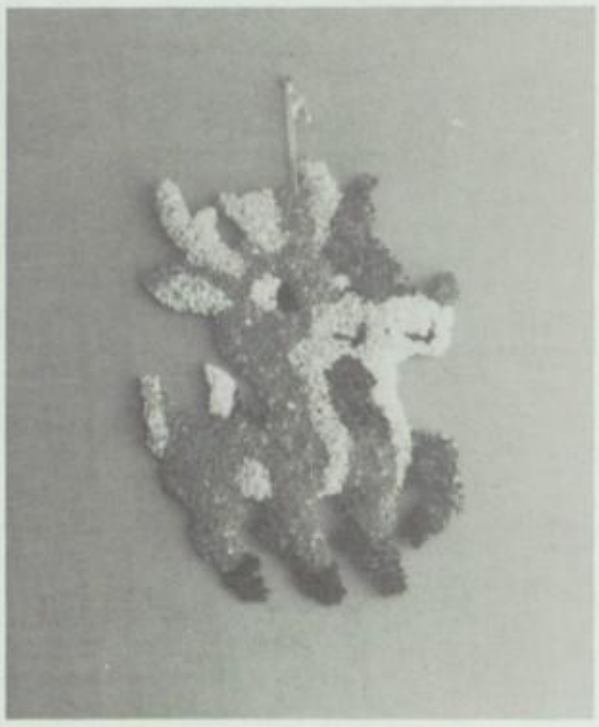
HAWKS DOWN HOME IN DOGPATCH

Lil' Abner starring Christopher Larkosh and Monica Puffer premiered during the month of December in the little theatre.

The cast rehearsed for two months before opening night. They worked hard designing and making their costumes and props. This kind of hard work over a period of time spawns the best kinds of friendships; cast and director all became part of a close-knit family working toward a common goal. This was accomplished when the play opened to a full house and continued its three weekend runs playing to warm, enthusiastic crowds. Not only was the play warmly accepted, but the cast displayed great talent and the performances netted a cool $1,000.

JOLLY HOLLY HAWKS

The Christmas Assembly for 1981 was fantastic! The gym was bursting with spirit. The drill team and cheerleaders did a super flashlight routine done to "Steppin into Christmas" by Elton John. The flashlights were a combination of red and white lights. We were also entertained by certain groups and individuals singing talent. The freshmen also did a Christmas skit.



A NOTE-ABLE CHRISTMAS, HAWK STYLE

One of the many exclusive and fun-filled events that occurred during the week before Christmas vacation was the annual Christmas concert. Approximately 100 students, teachers, and parents filled the gym to listen to a variety of Christmas sounds performed by the band, the strings group, and the chorus. Lisa Harker played a beautiful solo n the violin while the brass section uniquely performed their own version of "Jingle Bells." As the concert ended, a pleased audience walked out of the gym with a little Christmas spirit, Hawk style!

HAWKS SPREAD A LITTLE CHRISTMAS CHEER

Although the snow wasn't falling and old Saint Nick hadn't quite arrived yet, the hawks eagerly welcomed the Christmas spirit into their hearts. Festive activities included a special assembly and door decorating contest, and to help spread Christmas spirit, the drill team delivered candy canes, FBLA sold flowers, and the Senior class conducted a class competition to see which class was wearing the most Santa hats at the assembly. By the end of the day on Friday, December 18, Students waved goodbye to Hug for two weeks and prepared to welcome the new year of 1982.

"TO SIR, WITH LOVE"

The teachers' appreciation week started out with teachers receiving cupcakes, pins, gargantuan paperclips (for gargantuan stacks of paper), a loving poem, and a free banquet lunch. These gifts were delivered through out the week by student senate members. The teachers said that the lunch was outstanding and truly enjoyed the week's thoughtfulness. Student Senate members did a swell job.

MORE POWDER THAN PUFF

One of the great treats in our Winterfest Week this year included our cute Powder Puff Drill team and adorable cheerleading squad. The guys did a great job jumping, cheering, and smiling. The drill team accompanied by a darling gorilla, did a routine to an ugly but pop hit by Z Z Top. The cheerleaders made a gorgeous pyramid, but, ohhh, all *came tumbling down!*

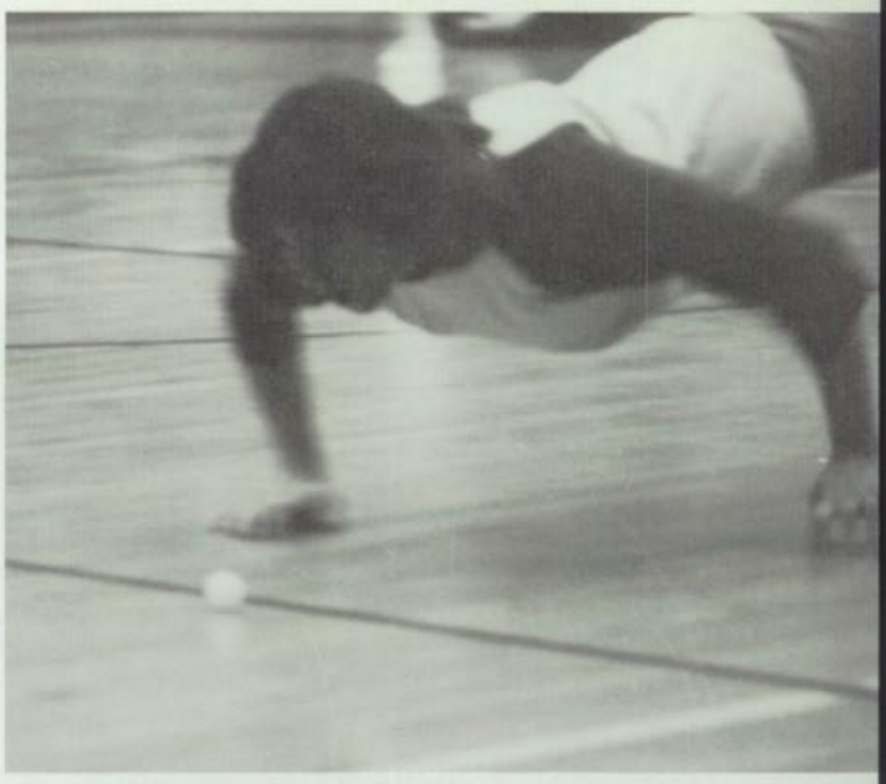
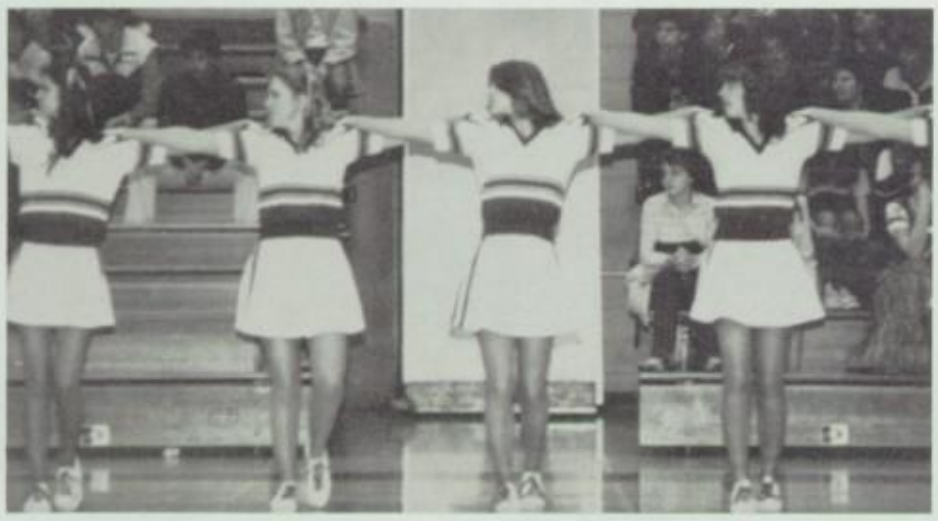
WINTERFEST AT ITS BEST

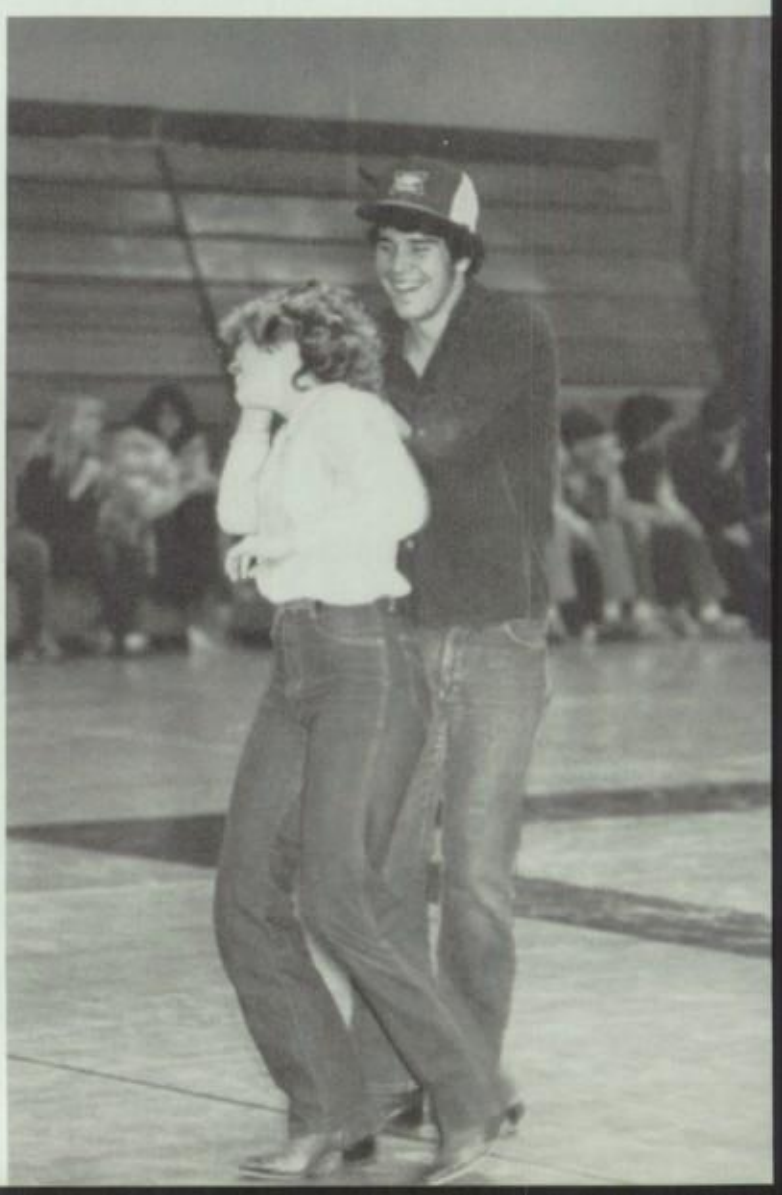
The week's Winterfest Homecoming Activities ranged from civilized to silly. The activities included a pie eating contest, finding jelly beans in flour, and drawing pictures with feet. Two bigger events were the Powder Puff Game, where the girls were cheered on by the loveable male ceerleaders, and the Square Dancing. The week ended with the game against Wooster and the Homecoming Dance.



ASSEMBLY ANTICS ALIVE!



Anticipation began to fill the air at the Winterfest assembly. As the queen candidates awaited their opportunity to be introduced, many interesting events took place. The new student body president, Martin Mueller, and his vice president, Kim Garrett, took the oath of office. The almost-anything-goes competition came to a messy conclusion as the seniors won the chocolate-pudding-eating contest. Next, All of Hug's cheerleaders performed an imaginative routine to "The Boy From New York City." Finally, the time came, and the queen candidates and their escorts gave the students a last chance to make their decision before voting.



DO-SI-DO AND HERE WE GO!

Clapping and foot-stomping could be heard throughout the gym as couples all joined hands and circled south, do-si-doed, and bowed to their partners. Square dancing was an addition to our annual sweetheart week this year. Mrs. Holmes, who organized the dance, called throughout the festivity. The student body seemed to enjoy the dance as there was a tremendous turnout.

KIM DIULLO
1982 SWEETHEART

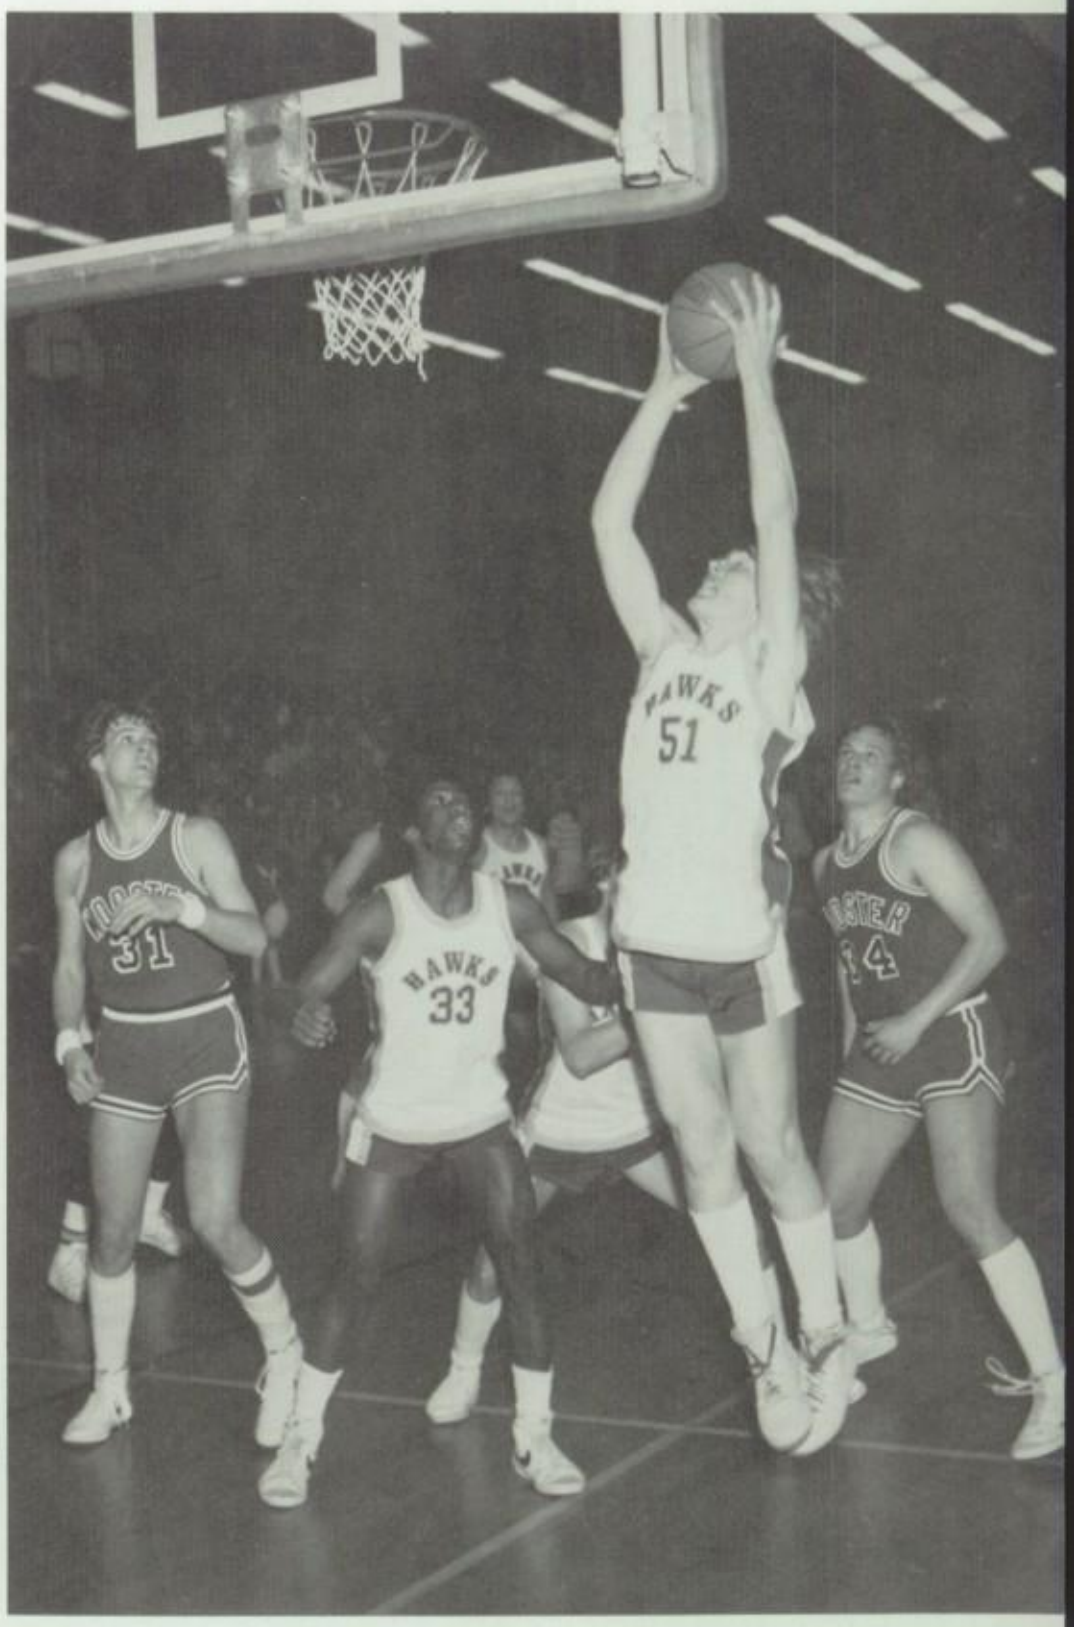
The annual sweetheart court was again composed of beauty, charm, and grace.

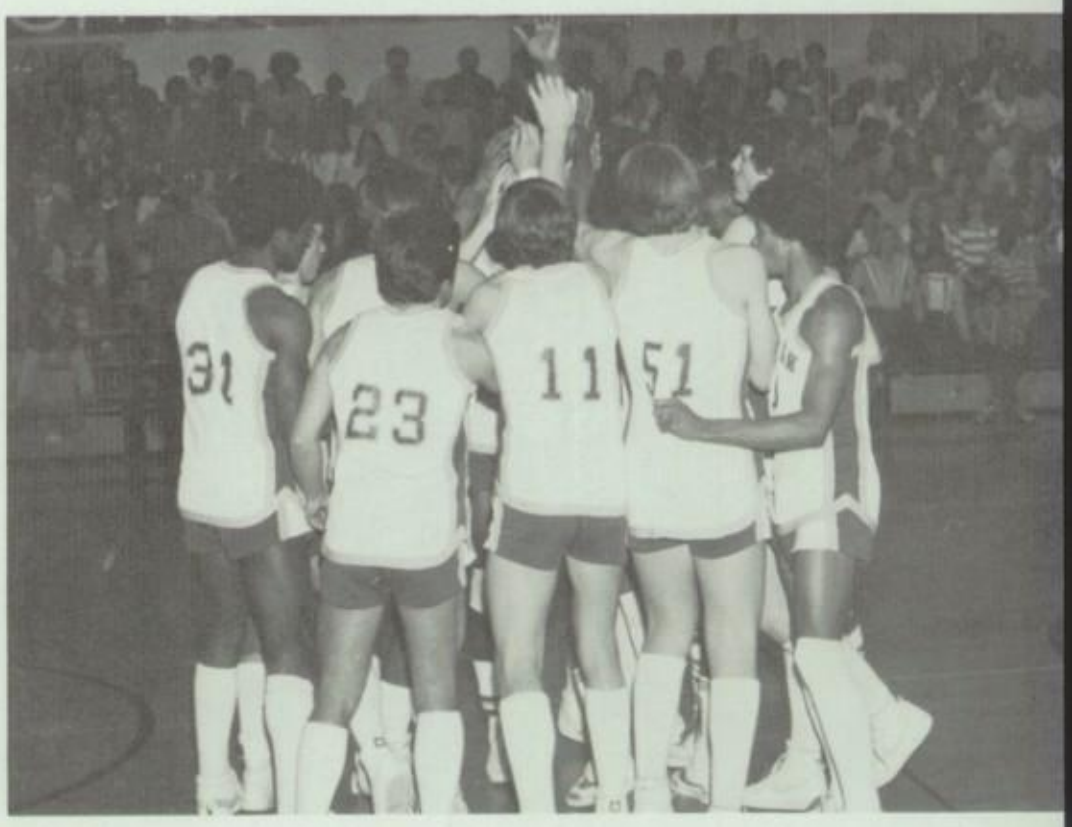
The candidates received a gift each day during Winterfest week. On Monday, they each received a jar of candy; Tuesday each got a framed picture of herself and her escort; then on Wednesday they were given cuddly stuffed animals; next they were blessed with necklaces; and, finally, on Friday they got group shots of themselves.

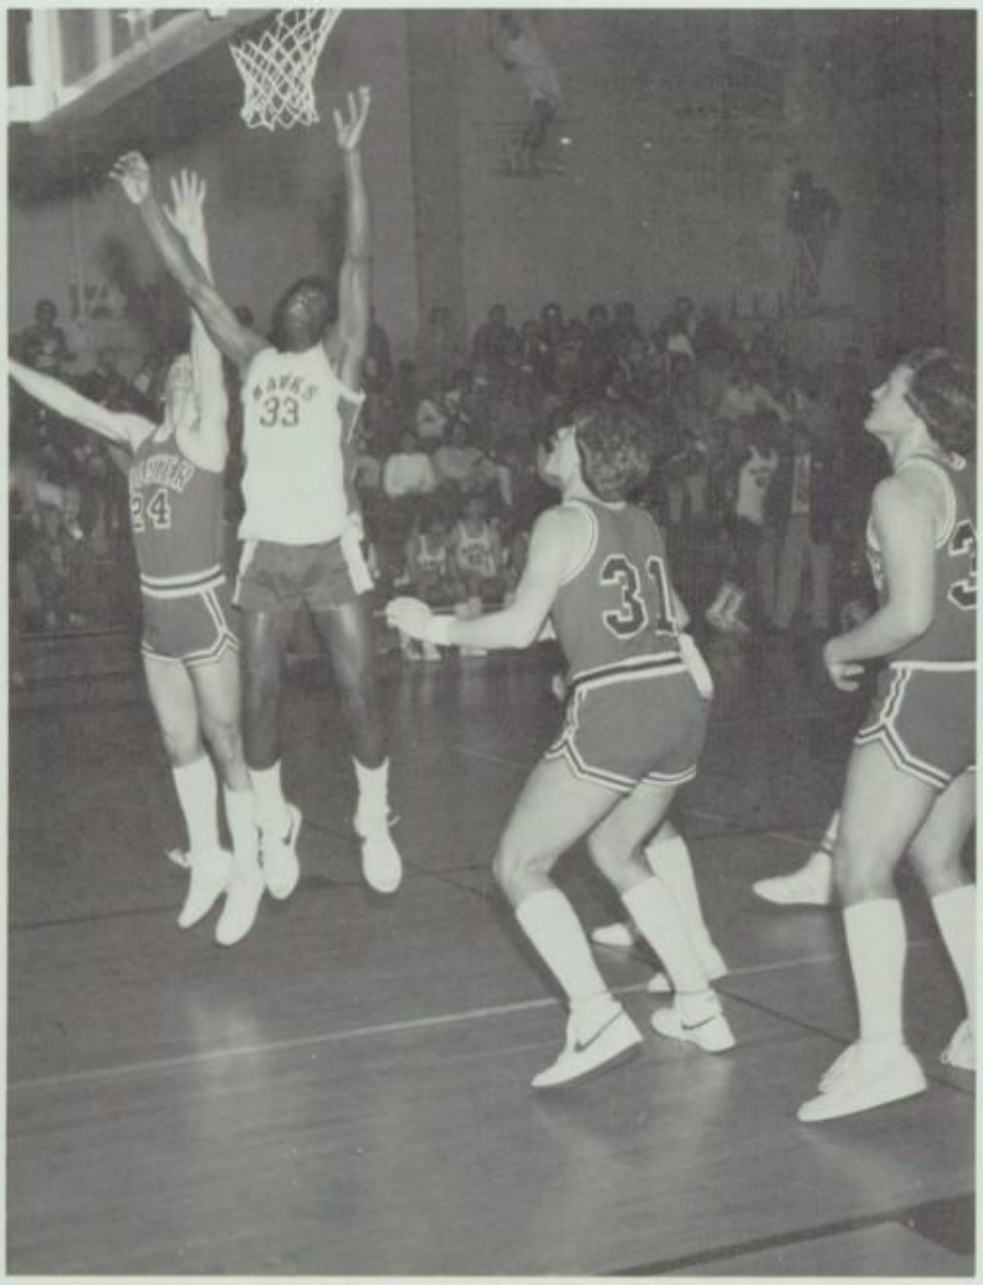
When halftime arrived during the game Friday night, the girls were escorted onto the gym floor where they waited patiently to hear the name of the 1982 Winterfest Queen. A shocked look came to Kim Diullo's face as her name was announced. The happy halftime festivities were followed by a depressing loss to Wooster; however, spirits roared again as everyone enjoyed the Winterfest dance.

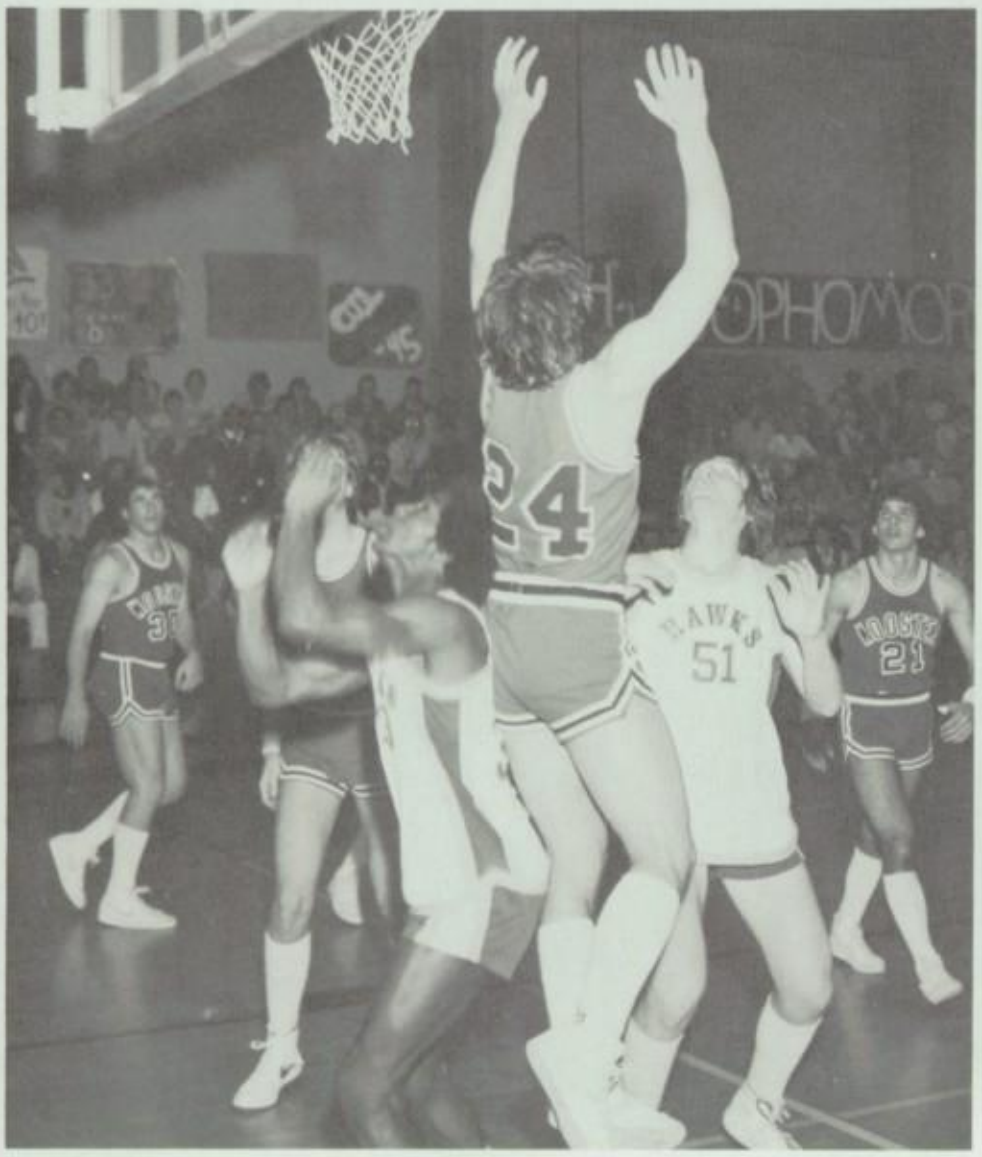
HAWK HOMECOMING!

After beating Douglas and Reno, Hug went into their homecoming game looking good. However, after a thirteen - point lead Wooster won 57-53. Somehow the guys just couldn't get it together. The evening wasn't a total loss considering the exciting half-time activities and the successful Sweetheart Dance that followed.



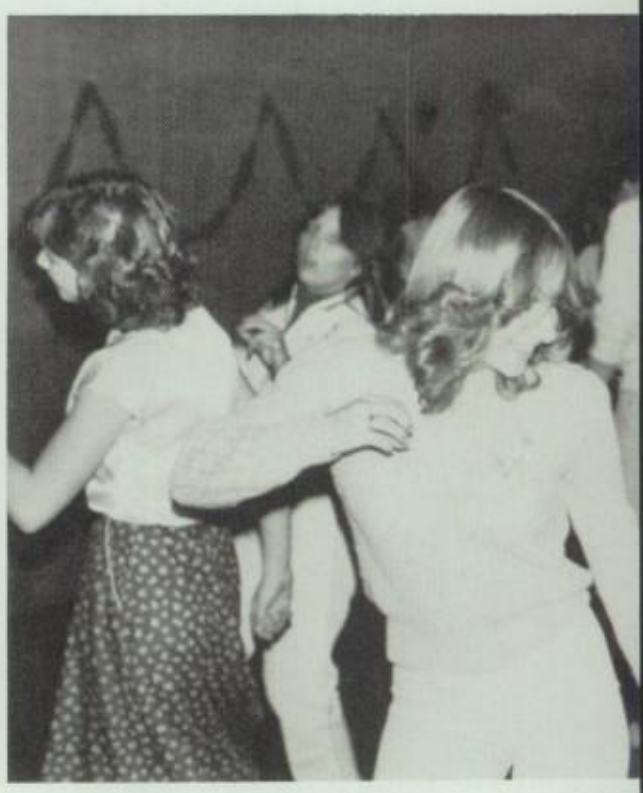






HAWKS AT THE HOLIDAY

The parents club does it again! First, you saw them at the Homecoming Bar-B-Q serving up dinner. Next, you saw them at the refreshment stand during basketball season. You also saw many of them chaperoning our own Hug dances. Here, they were seen again at the Sweetheart dance. They decorated the Holiday Inn fabulously, and the dance was a success. One heard many comments, such as, "That was great!"



J.R.O.T.C. STEPS TO MUSIC: MILITARY BALL

Every year the J.R.O.T.C. holds a Military Ball in conjunction with the other schools in Reno. This is one of the biggest events of the year for the cadets, and, like football homecoming, four queen candidates are chosen from each school. There is one winner from each school. The lovely ladies—Anne Thorpe, Tina Keen, Debbie Menendez, and Rose Moreira—are escorted by the company commanders: George Nash, Rick Webb, Darren Coulter, and Mark Mansfield. Unfortunately, our deadline prevents full coverage of the event, but we wish each of the queen candidates the best of luck.

A.F.I.

The A.F.I. took place in the gym this year. The first-year cadets were nervous but were calmed by the presence of cadets with previous experience. The inspectors from Washington D.C. checked position of medals, ribbons, and other articles of their uniforms. The companies were reviewed and had to perform various drills. They seemed to perform even better than last year, a performance which earned them the highest score in the West. This year's results were unavailable at deadline, but the cadets looked good.

WINTER AWARDS

The 1982 Winter Awards Banquet went off very well this year. Everyone stayed after the meal to watch the awards ceremony instead of leaving. Coach Floyd started things off by cracking a few jokes to humor everyone. Awards were handed out for all winter sports. Special thanks goes to Hug's chefs for the delicious meal they prepared. Also thanks to thestudents, parents, and staff for their support, spirit, and pride.

"BLACK PRIDE": AN EVENT!

"Black Pride" was the theme for the Human Relations Club's Tenth annual Black History program. On February 12 and 13, club members and alumni brought Black History Week to a dramatic close by singing and dancing and performing some of Langston Hughes' inspirational poems, such as "Democracy" and "Sylvester's Dying Bed". The group was also fortunate to have Mr. Ocie Austin and Mr. Carter Gilmore from Berkeley, California, as keynote speakers for the event. Club members and alumni, along with the helpful direction of Mrs. Dolores Feemster, put hours of long hard work into the production, which proved to be worth it in the end. There's no doubt about it; this year's "Black Pride" was an event!

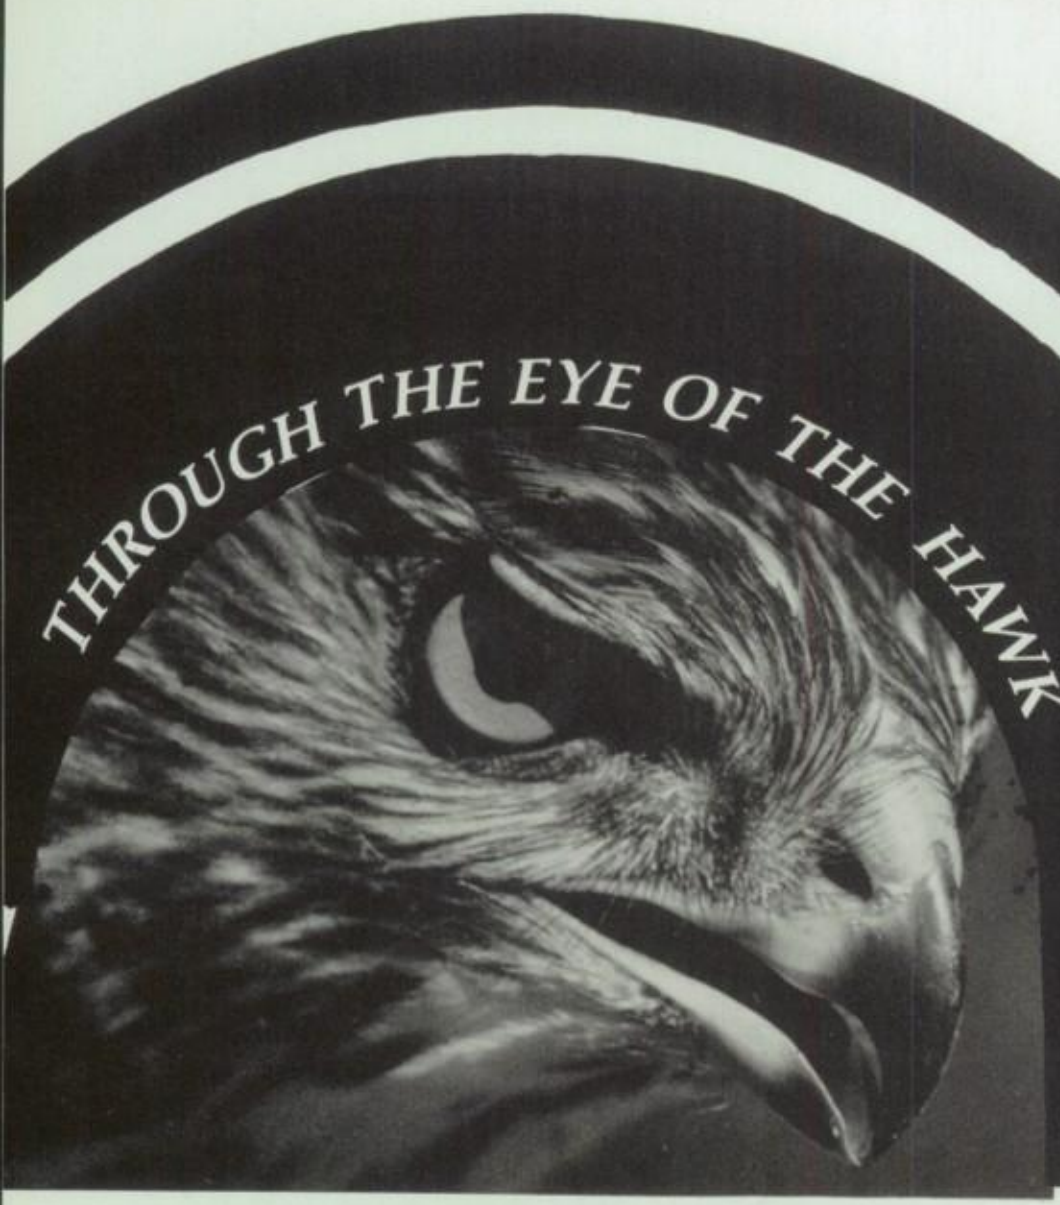
Some have viewed the class of "Peer Counseling" as an easy course or "just something to take". In reality, this course focuses around the studies of human behavior and how to go about helping others cope with their problems. The students get together in groups, discuss problems, and determine ways of solving them. They also counsel O'Brien Middle school, helping the students there to understand life a little bit better. The problems are not "simple" and neither is the course.



ATTACK

At the moment of attack, the hawks legs are stretched to their fullest, the head is tucked into the breast, and the tail and wings are brought into play as a brake. The kill is then made by the hawk's powerful talons. The prey has no chance of escape.

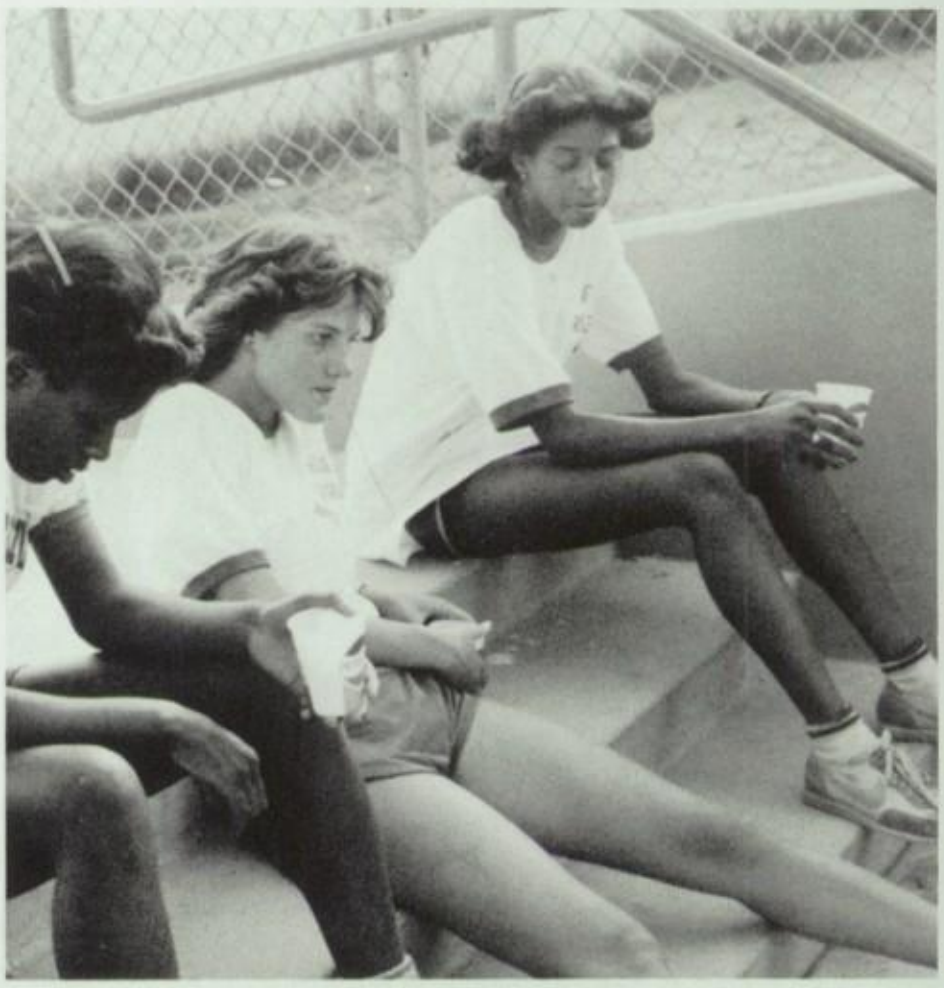
HUG'S FINEST

Although the soccer team got off to a slow start losing their first two games, the team stuck it out and worked as a unit showing a great deal of spirit and pride. The team did considerably well ending with a 5-win 5-loss 2-tie record, capturing third place. The team is rapidly increasing in size, compared to last year's team, and Coach Sullivan is hoping for a fine team next year.

ONE STEP FROM VICTORY



The Girls Cross Country Team had a very memorable year. They spent their afternoons either at a meet or at one of their long grueling practices. The exasperating practices were rewarded when they met with success at the meets. They ran over rocky, rough terrain which often resulted in sore feet. For you to appreciate the hard work, you would have to run one of these corses with Mr. Anderson and his team.

Hug High Girls' Varsity Tennis Team was a smashing hit this year. In addition, the team was lucky to have a tennis pro give a clinic for them. This four-hour practice was very helpful. Also, the team had a new coach, Mr. Williams, who gave his all to his job.

Although the team wasn't as strong as they hoped to be, individually they were outstanding. Katy Meyer received outstanding singles, Sue Tischler got most inspirational, and Shelley Foss received most improved. Marie Johnson and Terrie Lynch received outstanding doubles.

In spite of cold weather and matches lasting sometimes until 9:30, nothing stopped the Girls' V.T.T.

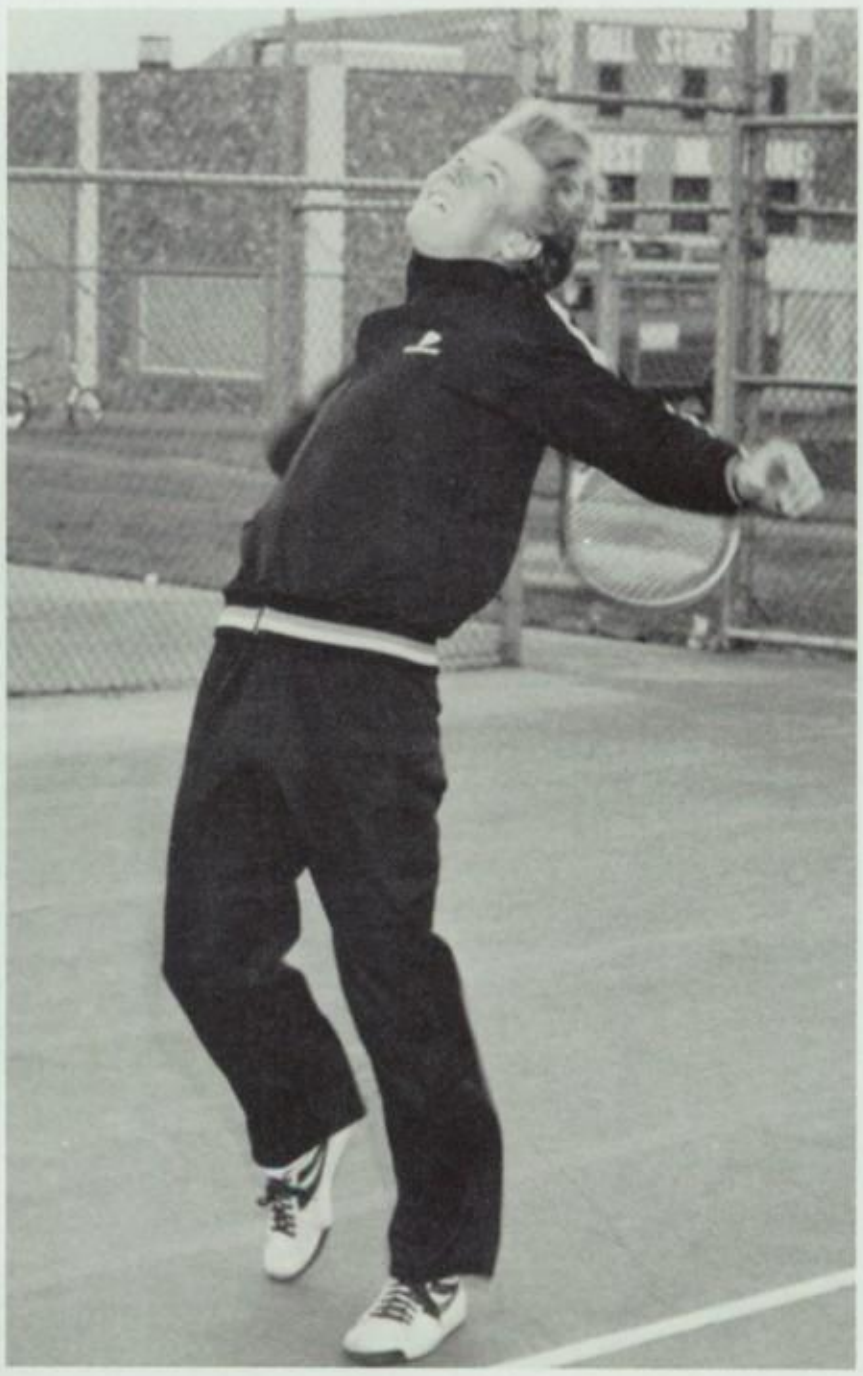
Standing: Karl Stick, Matt Gilman, John Shaw, Stephen Reynolds, Coach Holmes, Mike Vernon, Steve Maynor, Ken Bradley. Kneeling: Mika Aittasalmi, Roy Baughman, Bob Davies, Ray Davis.

This years boys' Tennis Team had a fine season. The members of the team were full of heart, pride, and worked to achieve excellence. John Shaw, Hug's premier player, finished fourth in zone while Bob Davies and Mika Aittasalmi did very well in the doubles competition.

We, the yearbook staff, would like to dedicate this page to Hug's finest, John Shaw who represented Hug at the state tournament.



HAWKS SOAR

This year's Varsity Football Team was very successful. With a 6-3 overall record, Hug was tied with Reno for 2nd in conference. Hug surprised a lot of people in the opening game against Enterprise, beating them 32-23, but lost a close game against Sacred Heart. The Reno sportswriters thought the win against Enterprise was a fluke, but Hug proved them wrong beating Sparks 22-14 and hammering the Douglas Tigers 36-23. Hug was then overpowered by the Wooster Colts and then Reno. Once again the Reno sportswriters flogged Hug, but the team showed their pride at homecoming destroying the Reed Raiders 46-21, and they crushed Fallon 40-14. Hug ended the season with a win against Carson which capped the best record Hug has had in 10 years. The 1981 Varsity Football Team had only 29 members who showed a lot of pride and determination throughout the season. When the Hawks were behind, in 5 of the 6 wins, they got tough and never gave up. With outstanding training from coaches Floyd, McCreary, Christianson, and Brewer, and with assistance from manager Alvin Miller, the Varsity Football Team showed that the Hawk spirit will never die.

FLYING HIGH

This year's J.V. team cruised with an exceptional 6-2-1 record. The team's hard work paid off when, for the second year in a row, they annihilated the Reno Huskies. Recognized for their outstanding performances throughout the season were John Walleman, Skeeter Murphy, Rod Smallwood, Jeff Davis, and Mark Pate. We are proud of this outstanding team and we are looking forward to an awesome Varsity Team next year.

This year's frosh football team had an exceptional season with a 6-3 overall, 5-2 conference record. The team finished second with outstanding rushing from Reggie Thigpen who stacked up over 1000 yards. Outstanding players were linemen Ion Corona and Jamie Marshall, offensive back Reggie Thigpen, defensive back Patrick Smallwood, receiver Kevin Claiborne, and co-captains Adam Baltierra and Paul Martinez.

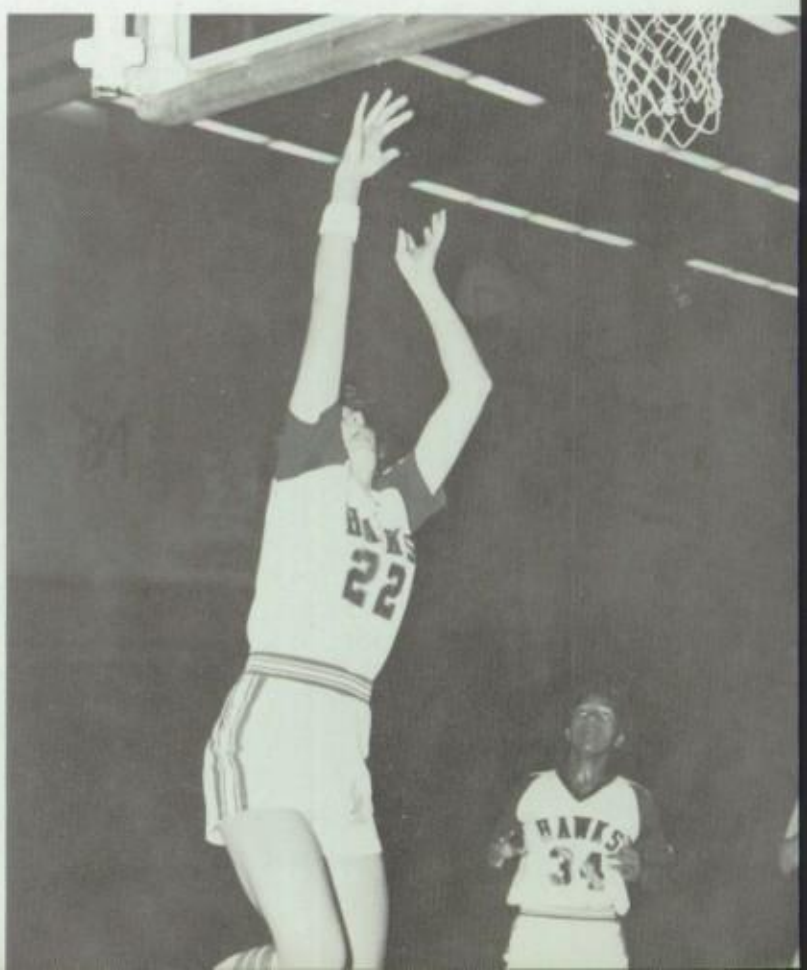
The 1981 Girls' Varsity Team was strong in both offense and defense. The sharpshooting of Sandi Auble was a large factor while the strongarm rebounding of Brenda Gerbatz was critical to the defense. The Hawks compiled an overall record of 14-7. They were 12-5 in regular season play, 2-1 in the zone tournament and, unfortunately, 0-1 in the state tournament, losing to Las Vegas. The team promises to be strong next year with returning players Mary Kay Ports, Sandi Auble, Norma Shepard, Julie Spinetta, Loreece Porter, Janis Williams, and Tari Weddell.



Sandi Auble was an outstanding player for the Hawks once again this year and is considered one of the best basketball players in Nevada. Sandi has received much recognition from local sportswriters who also named her Prep of the Week. We look forward to seeing her next year as do the coaches.

Ten in a row-count 'em, ten wins in a row for this year's J.V. Girls' Basketball team. They had an outstanding season with a new coach, Mr. Glogovac. Their season record ended with an outstanding 12 wins and 2 losses. The team members were so unbelievable that the coaches could not decide on one most valuable player, so Carrie Kreyling, Michon Gerbatz, and Raegan Cole were all recognized for their outstanding performances. In addition, Leslie Ward was named rowdiest, and Susan Foss and Kelli Krieger were outstanding rebounders. We congratulate the team for their outstanding 81-82 season.

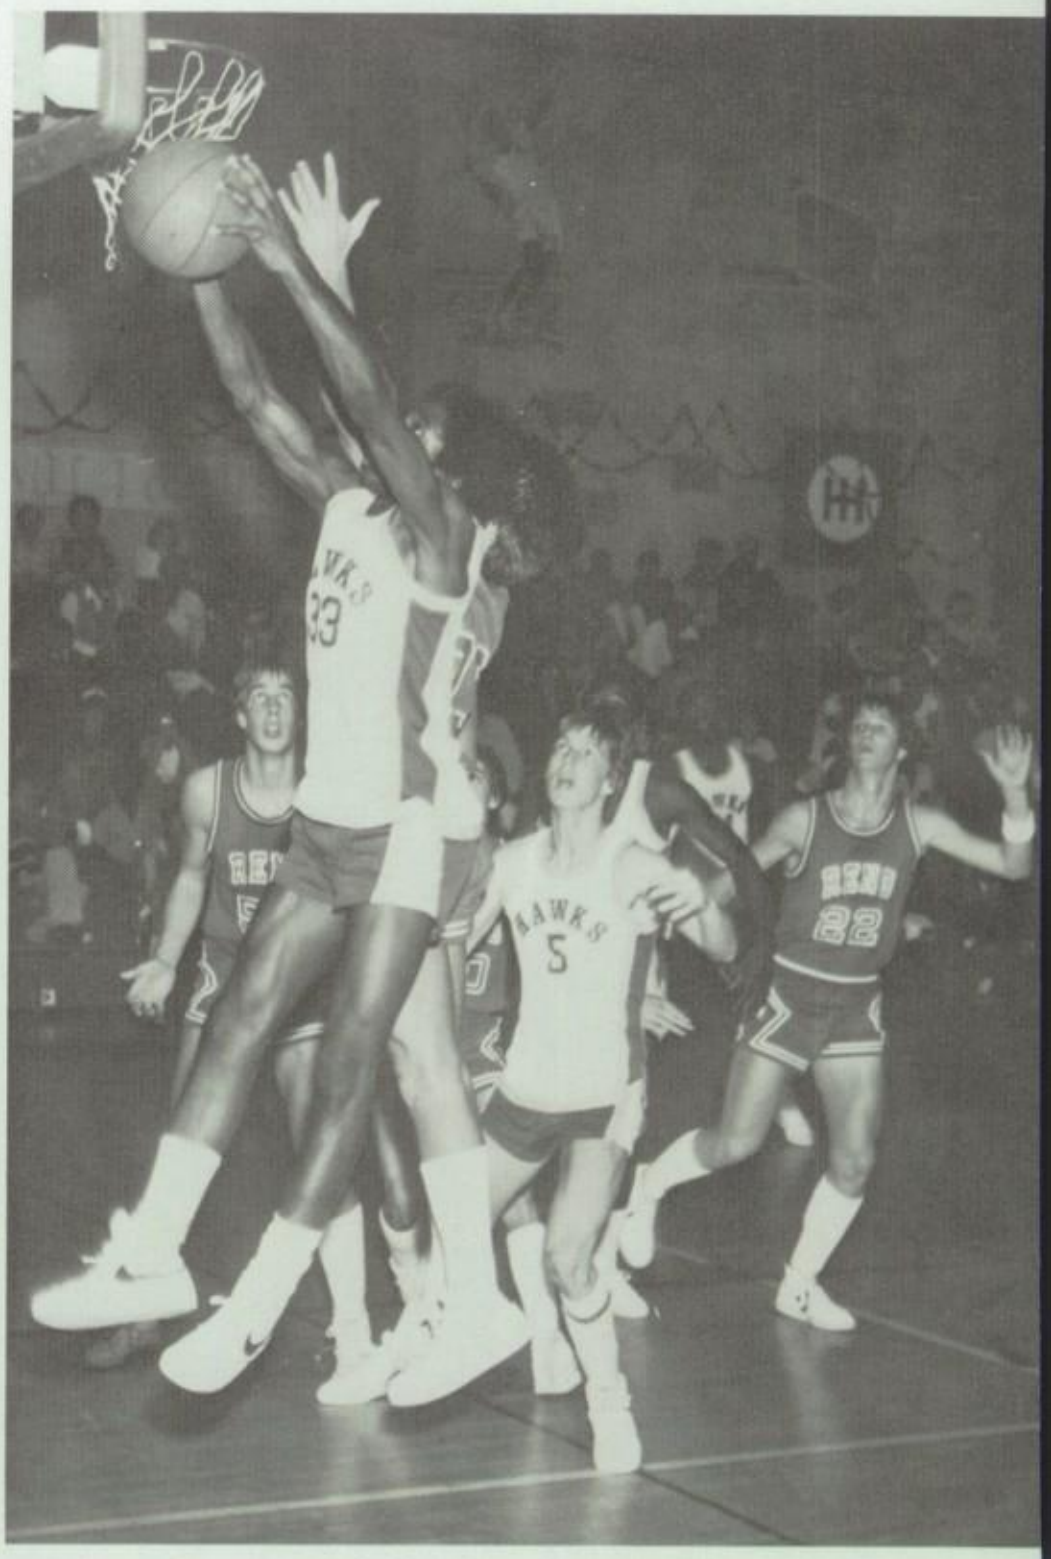
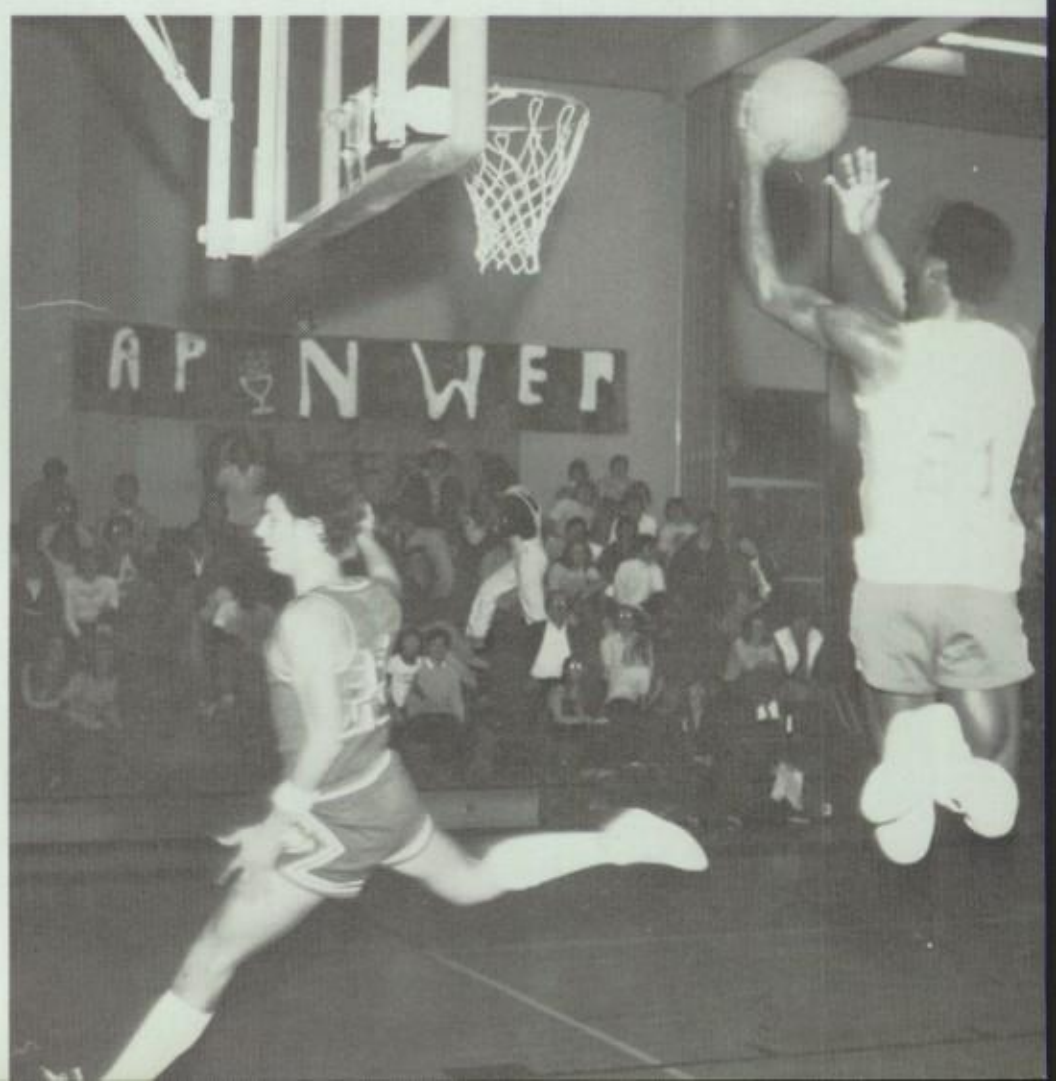
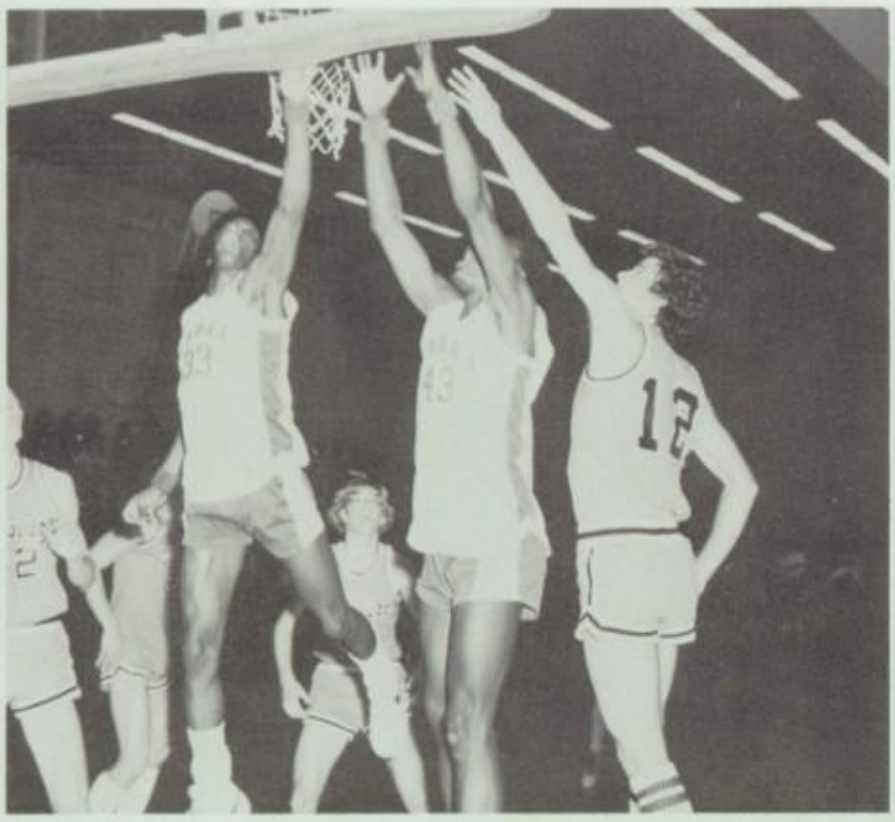
SKYWARD! VARSITY BASKETBALL







After many grueling practices, the Varsity Basketball team had a good season; they were 8-6 in conference and -11 overall. They were considered the quickest team in northern Nevada and played very good catchup basketball when they fell behind. They played well together and did well under pressure. The leading scorer was Damon Irgram, leading rebounder Robbie Richie, and leading assist Landis Hanson. The team took second place in the Bishop, California Tournament and in the Bill Cartwright Classic. They came from behind to beat Carson in the last game of the season.

This year's J.V. Basketball team was said to be well-liked, widely respected, and expertly coached by Gary Glogovac. Team member Eric Cox said the team really pulled together and pulled out of several tight spots, making many critical comebacks. In addition, team members were aware of the experience they gained both in game skills and in quick thinking, essentials on the basketball court. With this in mind, the boys felt they had had a successful season.

Starting Off On The Right Foot

Coached by Mr. Cunning and assistant coach Van Cleave, the freshmen basketball team finished with an impressive record of seventeen and two. Their only losses were to Reno and Carson, which they later defeated. They shared first place with Reno High School at the end of the season.

The starting five consisted of Paul Walker, Craig Stolo, Dan Murphy, Kevin Claiborne, and Reggie Thigpen. The team averaged sixty points per game, which is more than a lot of varsity teams.

Paul Walker lead the team in scoring, rebounds, and blocked shots. Dan Murphy led with the most assists. Reggie Thigpen had the most steals.

At the end of the season, Aaron Lewis was voted most improved. Burton Hood was the most inspirational. Paul Walker was voted the most valuable player.

SETTIN' UP THE ODDS VARSITY VOLLEYBALL

There will be many memories for this year's varsity volleyball team. Early in the season they raised money to go to a tournament in Las Vegas, by running laps on the track. The team got along very well and were exceptionally skilled at playing the game. In zone the team beat Reno to continue on to state. In state they played very diligently and came home in fourth place. There were 2 sophomores on the team and 6 juniors that will be coming back next year, but leaving the team are 4 seniors who wish the best of luck to the team next year.

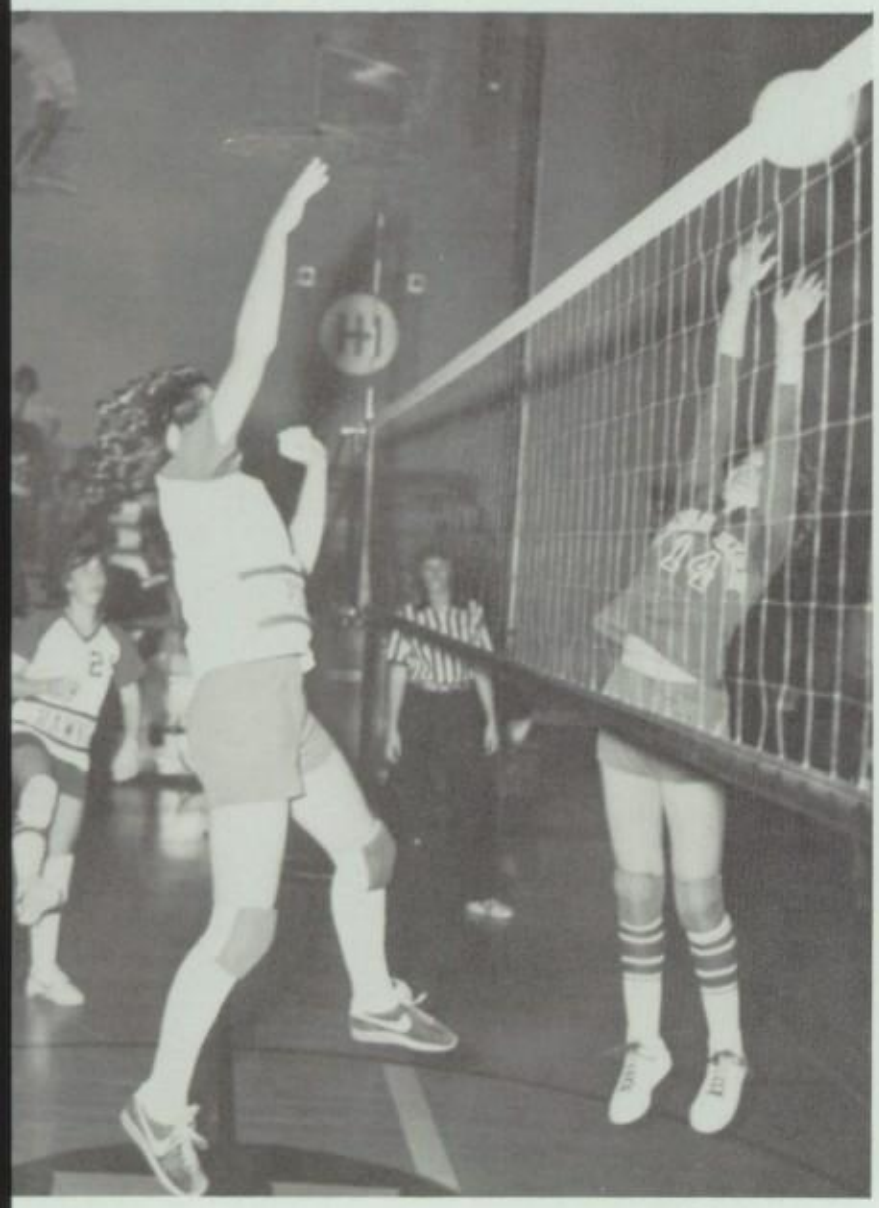
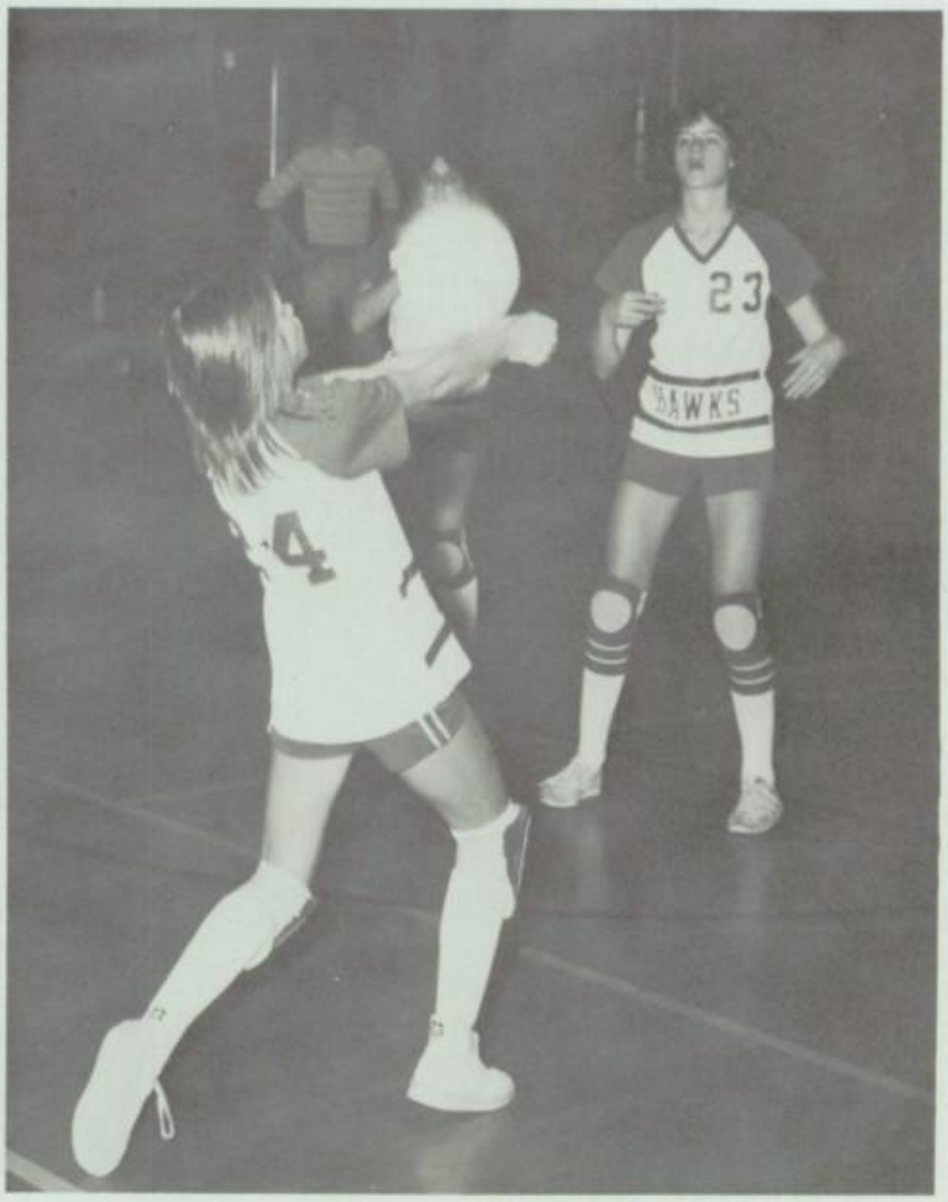
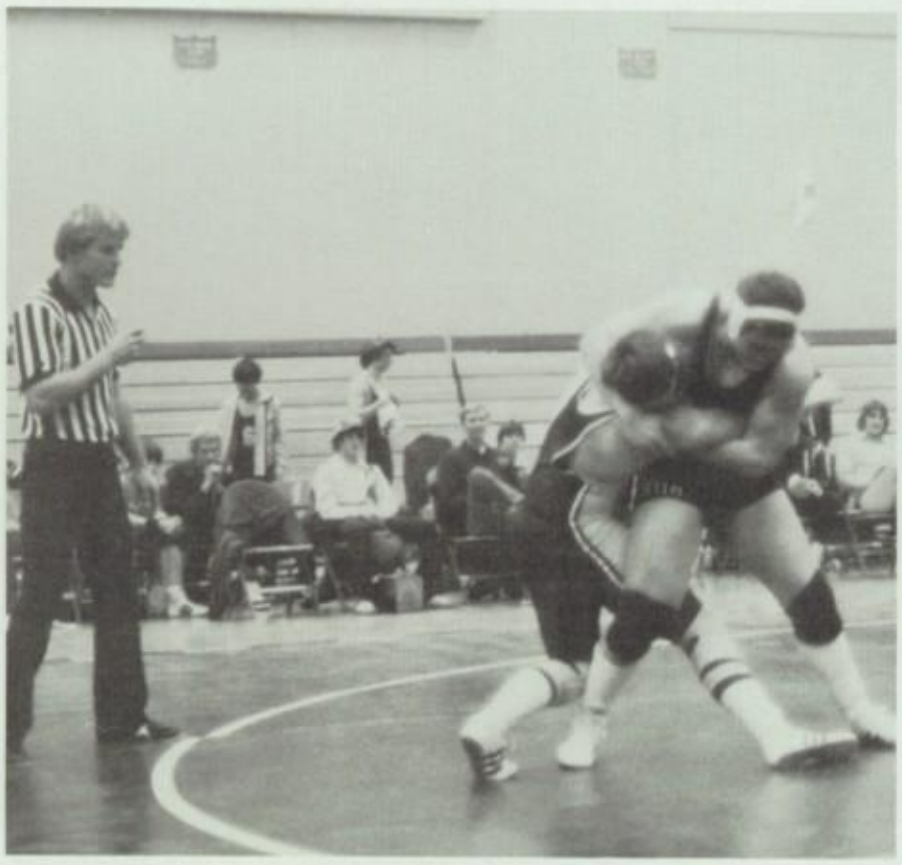
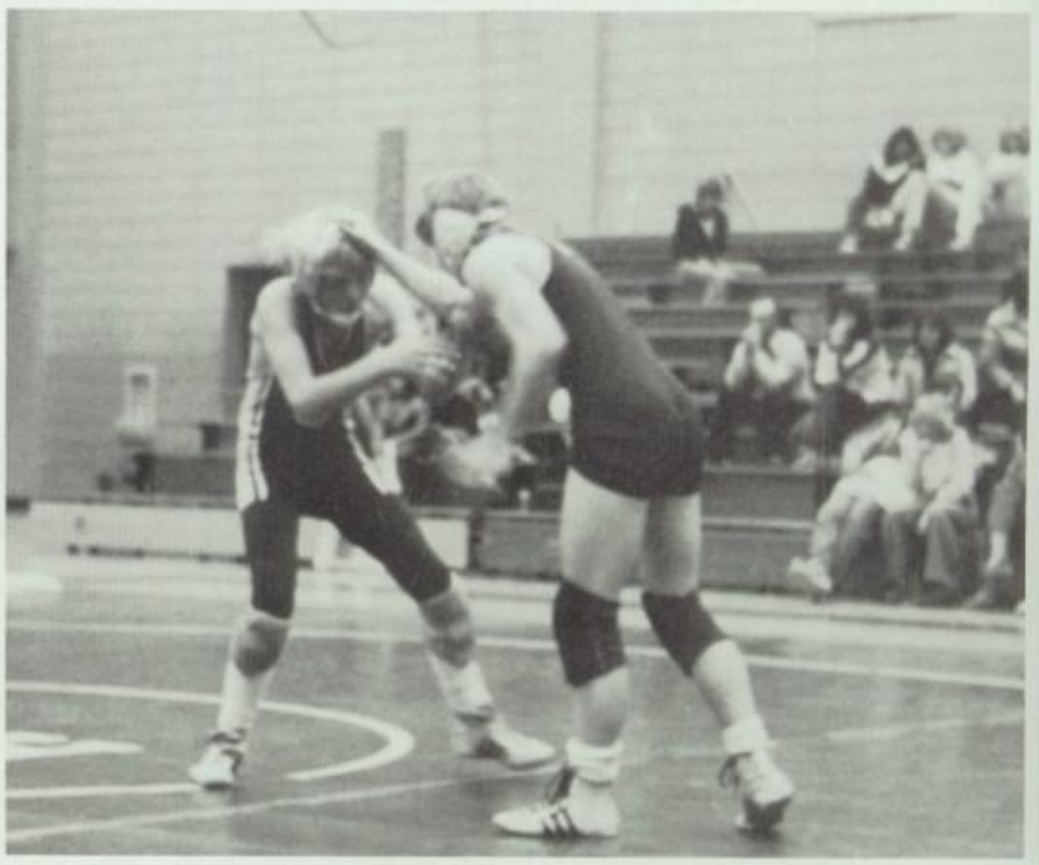
This year's JV Volleyball team had a great time while they represented Hug against some tough competition. The girls ended their season with a record of seven wins and seven losses. This team had a lot of talent, which shows through in the starting line-up — Kelly Krieger, Michelle Record, Rene Manfredi, Cheryl O'Hanlon, Loreece Porter, and Audra Serak. This great group of girls really know how to work hard and still have fun.





VARSITY WRESTLERS "STACK 'EM UP"





The Hawks Varsity Wrestling team is a small team, with only four seniors: HYW, John Lewis; 155 lbs. Andy Martinez; 138 lbs. Dave Fanning, and 119 lbs. Rodd Walker. Also, the team consists of one junior, one sophomore, and four freshmen. The Varsity team has a total of thirteen weight classes, with only ten of the spots being occupied. Although the team did not win a single dual-meet, it did considerably well, considering the fact that the Varsity team was forfeiting three to five matches a meet. The team placed well in several tournaments due to such quality wrestlers as Dan Dockter, who placed second in zone, and Rodd Walker, a senior, who was the state champion at 122 lbs. Next year's team may be even smaller with a number of students planning to attend McQueen High.

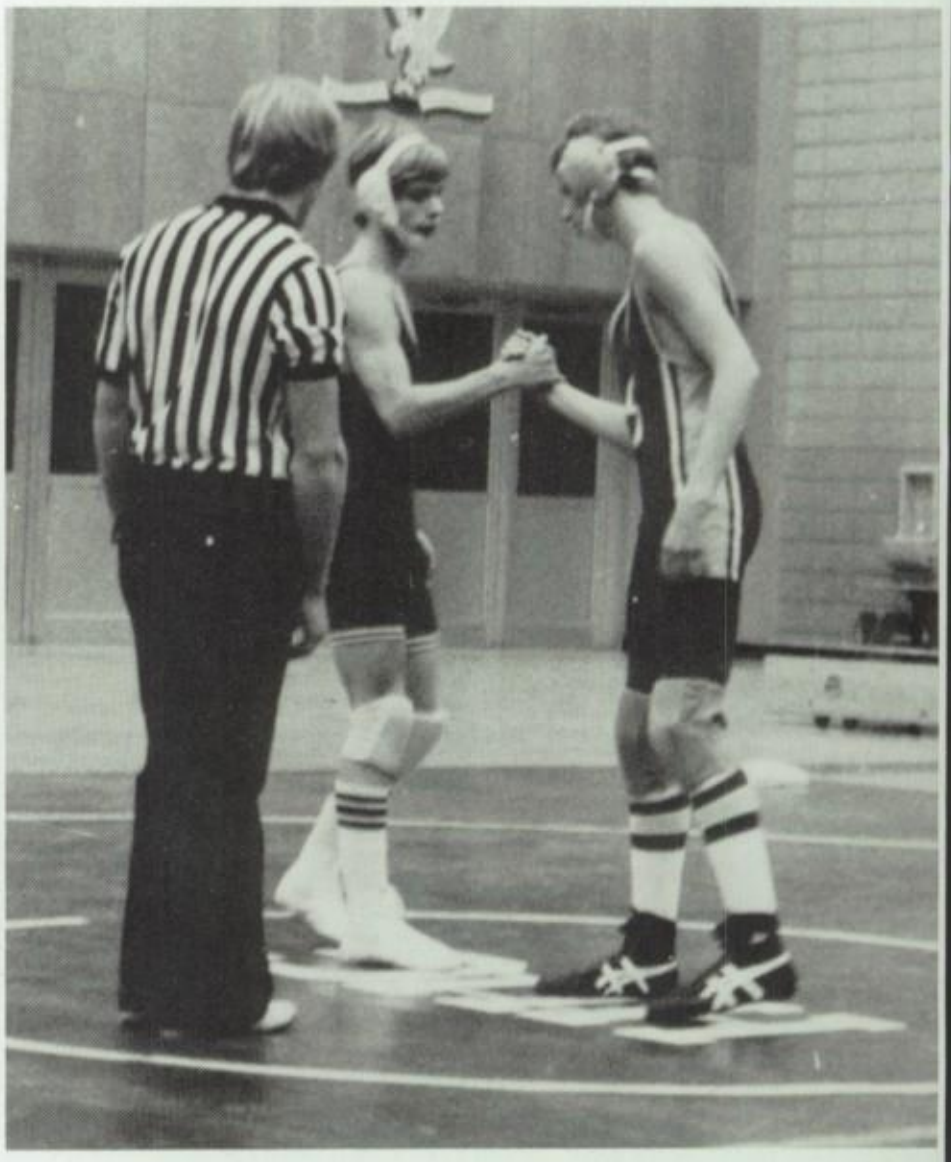
J.V WRESTLERS RIDE HARDER!!!



Wrestling is a sport of strength, stamina, and endurance. It has been proven that wrestling requires more from the body than any other sport. This, perhaps, results in fewer wrestlers on both the Varsity and J.V. levels. For example, at the start of the year there were about 30 members going out for the team, enough to fill both teams. However, as the season progressed, the team decreased in numbers. By the end of the season more than half of the team had quit. Only 14 remained on the Varsity and J.V. combined. This is the reason the J.V. team only consists of 4 wrestlers: 1 junior and 3 freshmen. These wrestlers *stuck it out and should be proud of their feat.*

Ski Bums

These "bums", commonly referred to as the Boys' Varsity Ski team, did some serious skiing this season. They finished in sixth place in Zone after a fairly good regular season. The team was pretty large and had some great talent. Mike Davis (most outstanding skier) led the way for this year's team. Even though they did not finish at the top, they were something to be proud of.

Thrills, Chills, And Spills!

The Girls' Varsity Ski Team was a small but talented group this year. With the advantage of a great snowfall this season, they skiied a great deal. They finished in sixth place in both the regular season and in Zone. Their most outstanding skier, Sue Tischler, was seeded fourth in Zone- the highest any girl or boy has been ranked from Hug! A day on the slopes with these girls would guarantee a bunch of thrills, chills, and spills!

DEEP SPIRIT

The Hug Swim Team this year showed a great amount of school spirit and good sportsmenship at all their swim meets. Their coach, Miss Kuntz, led them through long and hard workouts to prepare them for the events they would swim in the meets. Most of the team was made up of excited freshmen and sophomores who helped keep the team's spirit up.

The team members began their training in the fall. Someof the members joined when the team was organized. Exceptional members swam at least two to three hours a day. This made the team even better. The team members felt with the excellent training and spirit of the team that this was the best team Hug has ever had.

TOO HOT TO TROT

The 1982 Girls' Track team was "too hot to trot"-they flew. With seven returning members—Mary Kay Ports, Yvette Williams, Brenda Gerbatz, Cindy Barr, Loreece Porter, Julie Spinetta, and Cessie Vaughn—from last year's second place State team and the rest of the talented group, they should easily place in the top four at State. Because of yearbook deadlines, the results of the 1982 Track season are unattainable.

BRENDA

HANDSOME HUSTLERS

This good-looking bunch of guys can really hustle. Their outstanding ability covers all bases with Mark Trujillo, John Lewis, and Bob Fritsche in the field events and Damon Ingram and Reggie Thigpen in the track events. These guys are not only handsome, but they are talented too! Due to yearbook the results of the 1982 track season are unattainable.

VARSITY SOFTBALL HITS TO WIN

The girls on the Varsity Softball Team have been practicing daily in order to get ready for the coming season. With a lot of hard work and the help of Coach Price the girls should be successful. Due to yearbook deadline we won't be able to report the scores, but we wish them the best of luck.

The girls J.V. softball team began their season several weeks ago with practice. They had a great turn out for try-outs, but, unfortunately, only fourteen girls made it. The team was made up of half freshmen and half sophomores. At yearbook deadline they were 3-1, and in the one tournament they were 1-1. The girls were off to a fair start with much enthusiasm and determination.

Varsity Baseball was off to a good start this year; they started out 2 and 2 and hope to become one of the four teams to play in zone (yearbook deadline prevents full coverage of the season). Although Varsity has a few sophomores, they still know what they want and have the experience to get it. Coach Riley added that his best players are Dave Walleman, third base; Gary Stolo, short stop; Rob Richie, pitcher and outfielder; and Jeff Lawrence, second base. His best hitters are Dave Walleman, Rob Richie, Gary Stolo, and Jeff Lawrence. They practice six days a week and hope by mid-season to succeed in all their goals. Their dream is to be on top in zone. Coach Riley is very happy with the team.

ALL THE WAY HOME

This year's Junior Varsity team is a promising group of athletes, who some day will compose the varsity team. They play aggressively to win and practice hard to achieve this. Each player contributes to help compose this group of boys into a well organized team. They expect to have a successful year whether they have a winning season or a losing season. Yearbook deadline, unfortunately, prevents coverage.

Pictured left to right, top row, are Dave Dunn, Scott Lacrox, Coach Couch, Craig Stollo, and Scott Brawn. Bullseye! The Hug High crackshots make a lot of these. Each Varsity team (boys' and girls') consists of four members. They compete with local high schools as well as with Gerlach and Carson City. During a match there are three main positions from which the contestants shoot: lying, kneeling, girls sitting, and boys standing. Each contestant gets 100 shots in each position. The five highest scores are counted, and the team with the most points wins. Notable members on this year's team are Tina King for the girls, and Terry McCreary for the boys.

PAR-FORMANCE!

Because of yearbook deadline, the season's results could not be covered. However, the team coach, Mr. Jesser, feels good about the team's abilities. He even anticipates a good showing by Hug in state. Some of the outstanding players are Bill Kandaras, John McLaury, Joel Hester, Pat Gowins, Robbie Kelley, and Dale Dayton.

HUG TEES OFF

The Girls' Golf Team is still filled with lots of Hug spirit, despite their rather unsuccessful season. The team practiced hard at Sierra Sage golf course every Monday, Wednesday, Friday, from 3:30-6:00. This year they had four freshman beginners who have improved greatly. If these girls continue to stick with golf, we could possibly be looking at future Patty Sheehans' (local golfer on pro circuit). GO FOR IT!

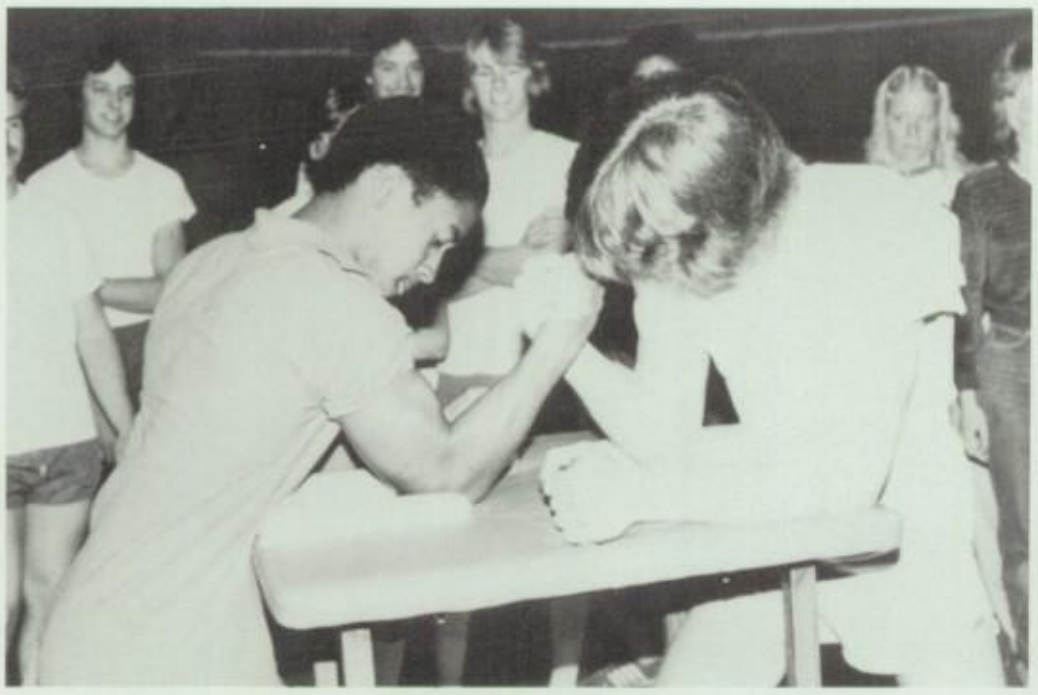
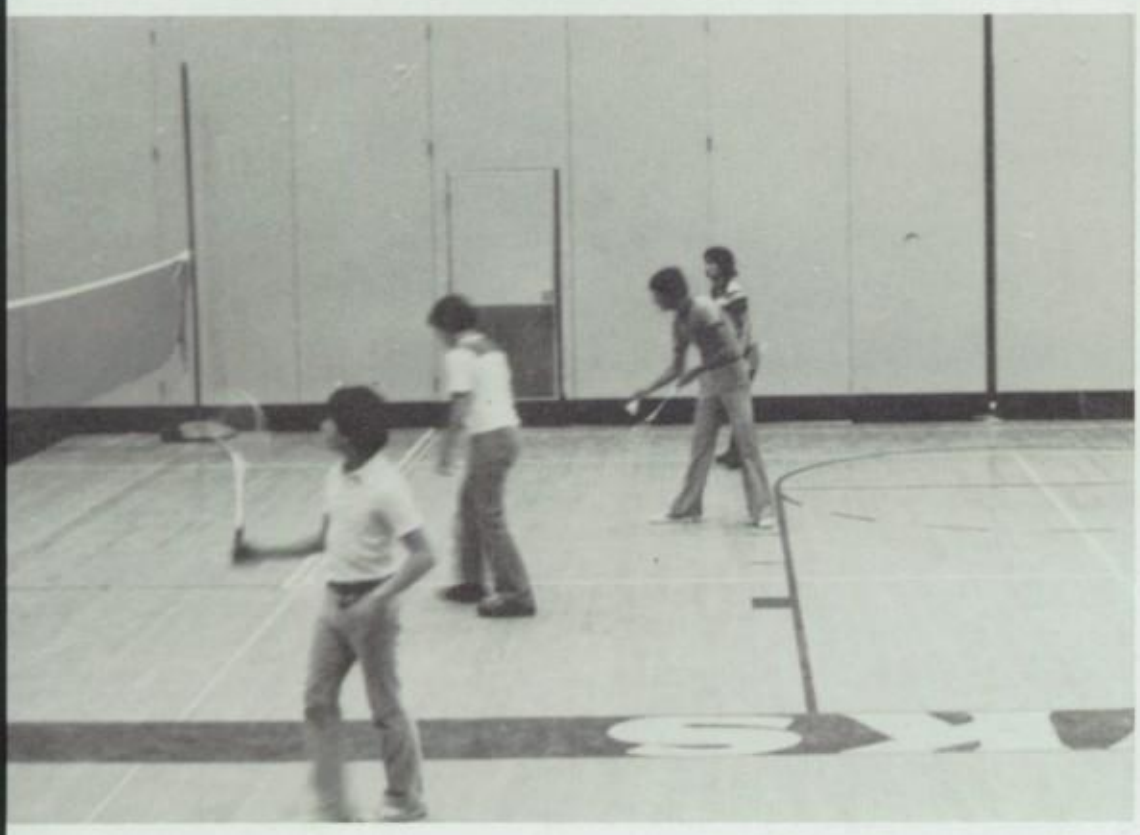
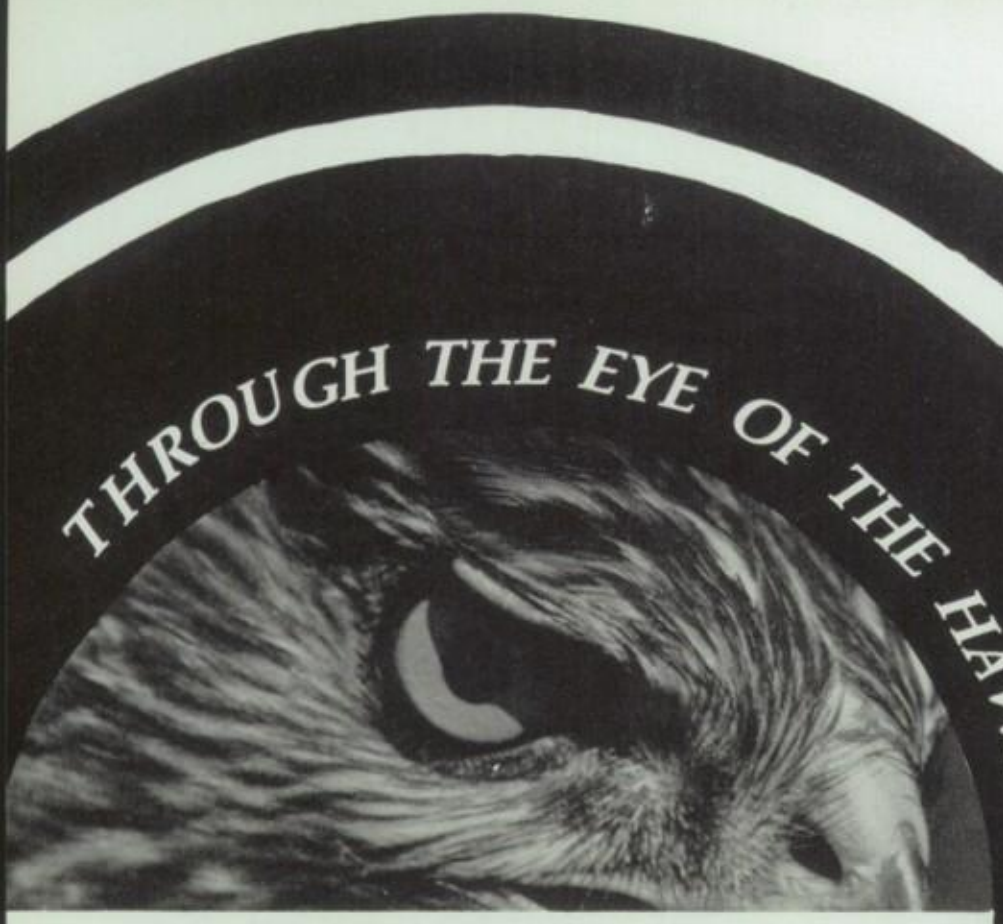
Intramurals:
Hawks Vs Hawks





Intramurals pit Hawks against Hawks. Hug students form their own teams and sign up to compete in various games. Some of these games include volleyball, badminton, and arm wrestling. The teams compete during lunch. Intramurals are a fun way to get involved in sports at Hug.



THE HAWK

The hawk builds his nest with strength and pride. Construction occurs in different parts of the country; from the rigid ledges of hilltops, to the cool shade of oak trees. The hawk preserves his territory and sense of righteousness.

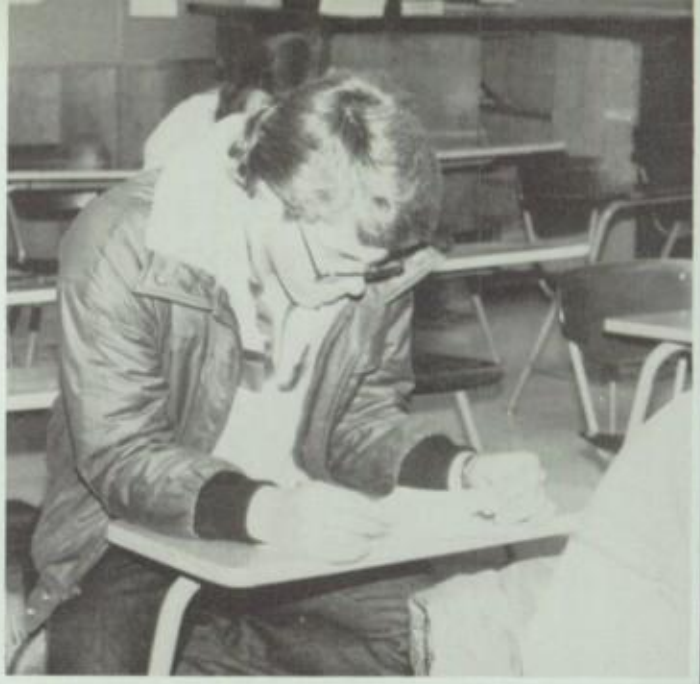
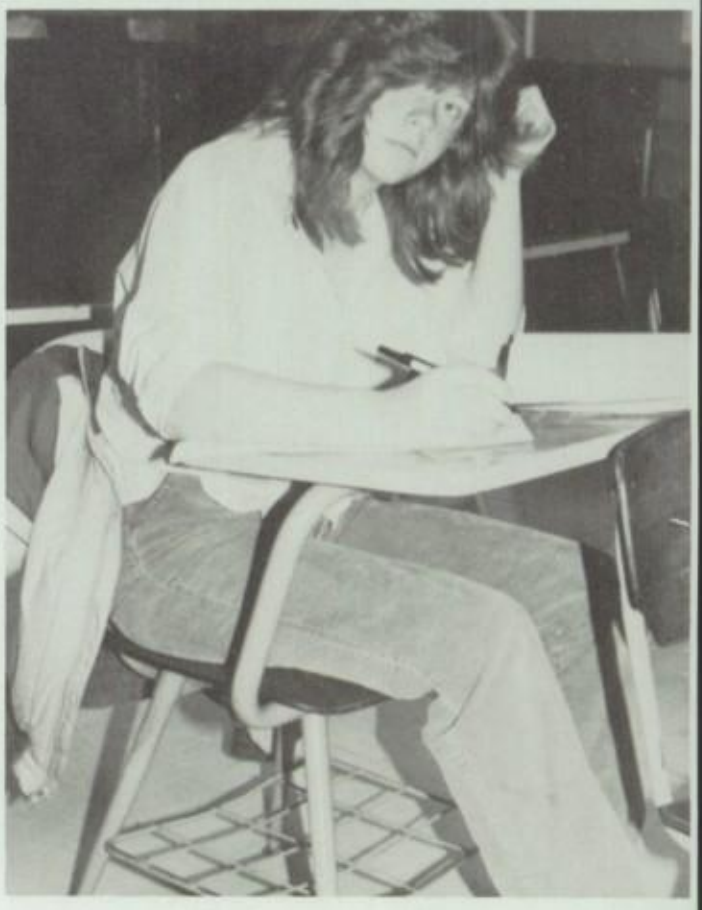
Walking into 6º Talon, *class one may have heard, "Where are my pictures?" or maybe even, "But I don't know how to type." But through all the ruckus one could see 15, well almost 15, students hard at work. The staff showed great ambition towards this year's yearbook. Through the year things became hectic, as usual, but most of the staff worked hard to meet their deadlines. In addition to selling yearbook subscriptions, they sold cookies, advertising, and sponsored the yearbook signing party. This dedicated group of students did a beautiful job putting this annual together. (Isn't it gorgeous?) Being a staffer takes a lot of time and patience, but with the help of a great advisor, Miss Mary Jane Zunino, Editor Lynne Richards, and Co-Editor Freeman Hall, we made it through another year, and all of the hard work produced another great yearbook!*





SOARING WITH NEWS

The nine-member newspaper staff was very successful in producing one terrific newspaper this year. The staffers worked hard to get ads, write articles, and meet deadlines.

The paper was given to the student body free this year; therefore, the staffers had to work twice as hard to get advertising to pay the publishing cost.

Members took field trips to the Sparks Tribune *and Nevada Instatnt Type. They also attended press day at U.N.R. on April 16.*

All in all, the Soar *staff was proud of each and every one of their papers.*

CREATIVITY KNOWS NO BOUNDS

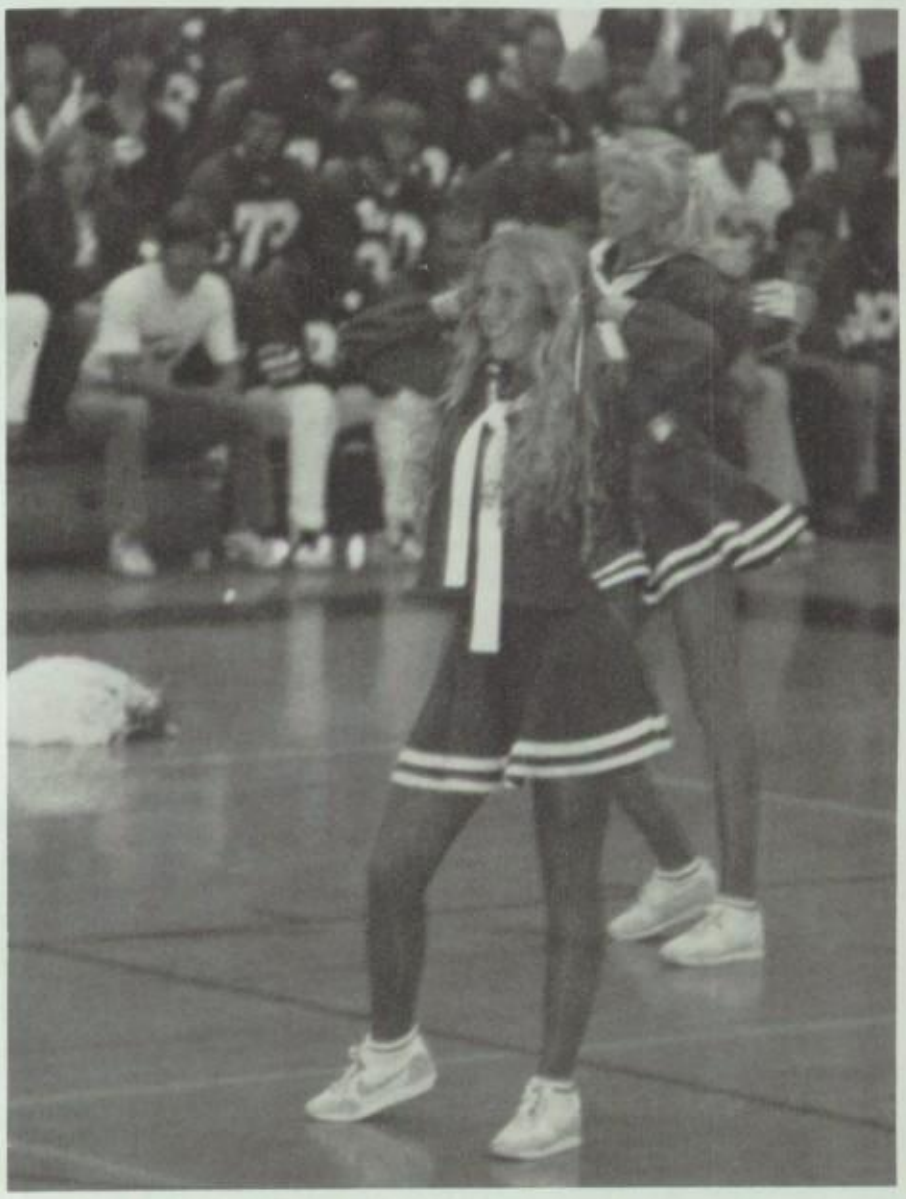
Hug almost didn't have a creative literary composition this year, for the literary Magazine class had been cancelled. But, due to the determination and hard work of an involved group of students and their equally industrious advisors, Mrs. Kimball, Mrs. Fry, and Mr. Janke, they had two publications as opposed to the previous year's single edition.

The Best Rootin' Tootin' Songleaders In The West

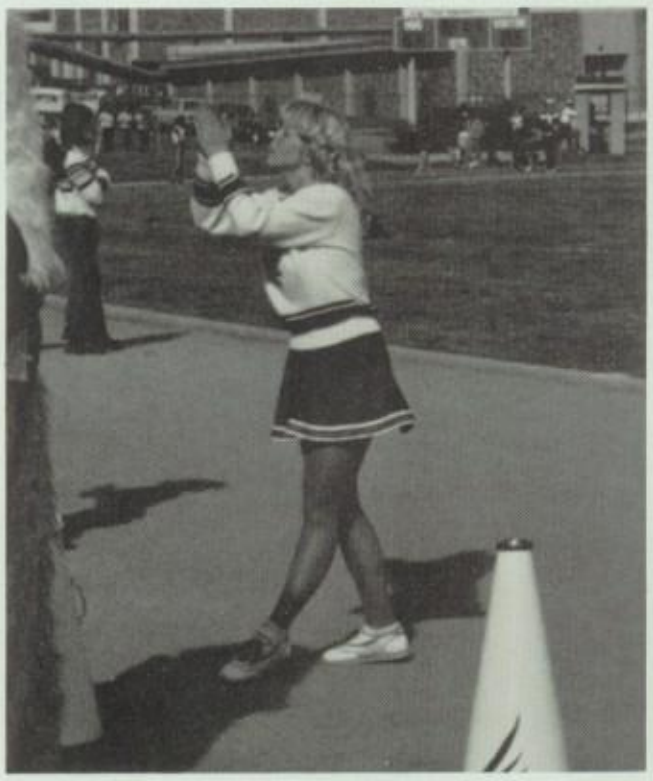


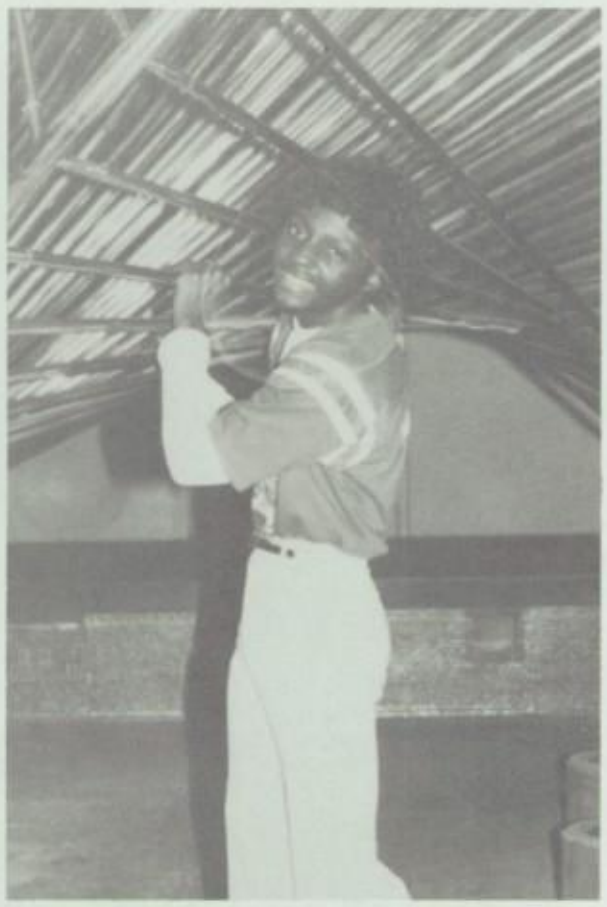
The Songleaders were the best this year! Under the direction of Mrs. Pursell and Mrs. Stoltz, they put together many exciting routines and contributed to the spirit by leading cheers at games. At camp during the summer, they made Hug proud by winning the Declaration of Spirit Award and many Superior and Excellent ribbons.

Kathy~ With you, I've discovered many things with you. I laugh at our many stages... 1) "life" 2) I hate cheerleading 3) black guys 4) trio 5) the biggie. What's next? Mary Kandaras

The Songleaders are (top row, left to right) Kim Dullo, Lynn Vanderwell, Robbin Dunn, (bottom row, left to right) Kim Morgan, Lorinda Porter, and Mary Kandaras.

Cheering With A New Twist





A new twist was added to the Varsity squad. Hug's students got a special treat-or should I say tweet- this year. Hug's first mascot, Hawkeye, joined the cheerleading squad. Paul Williams, the fellow clad in the green and white hawk suit, helped the Varsity squad provoke more spirit than ever before. This year's talented cheerleaders, along with their fine, feathered friend, were really something to be proud of.

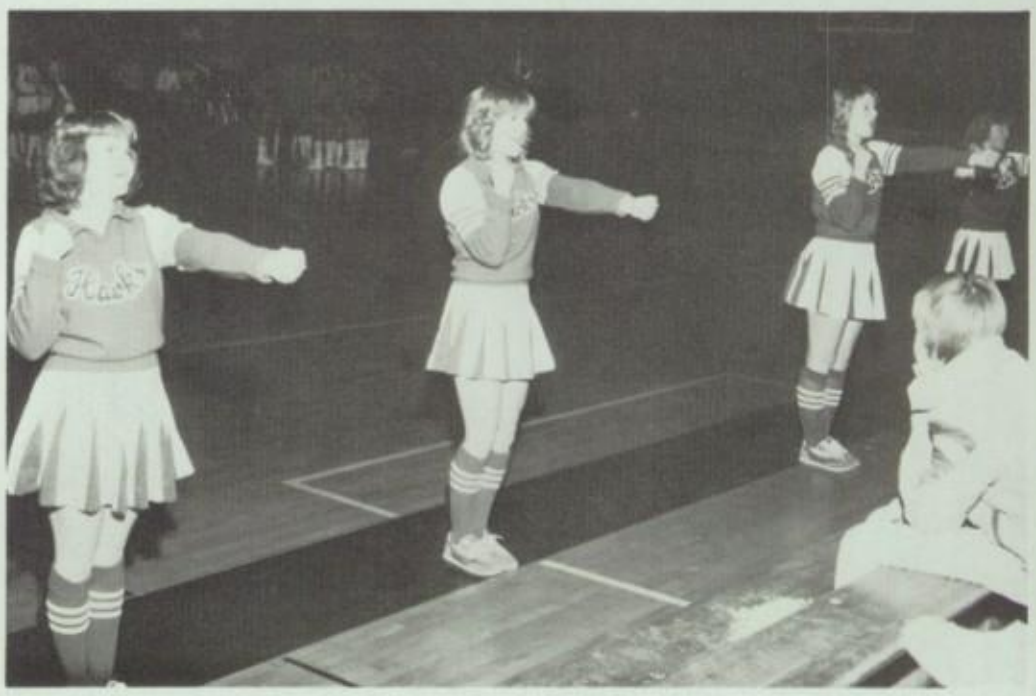
JV: Definitive Cheerleaders



According to Daniel Webster, to cheer means "to encourage, salute, or acclaim with cheers; applaud. To shout cheers; to become cheerful." Our JV cheerleaders did exactly what the definition says. During ever JV game these five encouraged, saluted, acclaimed, applauded, and shouted. At camp in Santa Barbara they received a superior ribbon, outstanding and excellent ribbons, a spirit stick, and an overall spirit award.

Fresh And Hot

These four freshmen cheerleaders were really hot this year. They were chosen from over forty girls at tryouts last spring. Their talent and enthusiasm brought a special kind of cheer to all of the freshmen games. At cheerleading camp they received superior, excellent, and outstanding ribbons as well as a spirit stick and an overall spirit award. Great job girls!

SHARP SHAMROCKS!

The 1981-82 Drill Team had a fantastic year. Drill was started at the end of last year. The girls worked hard all summer perfecting their routines and raising funds. The team held car washes and bake sales and then went on to drill team camp in Santa Cruz. The team brought back the spirit boot and a special commendation called the Spirit of Declaration. The Shamrocks have performed at many of Hug's assemblies and football and basketball games, adding to the color and spirit of each event.

J.R.O.T.C.

Future Heroes Of Our Country

The J.R.O.T.C. program this year was a great success. When students registered at the beginning of the year, the class period they chose determined which company they would be in. Each company learned to drill and to march along with other skills related to physical well-being and corps organization. Students were on a point system and received points for the canned-food drive, community services, best squad, and best drilled cadet. The Color Guard this year took second in the Nevada Day Parade. In addition, Company D. commanded by George Nash, had the most points at semester break. And, for the seventh time out of eight, the Brigade Commander has been a Hug student; this year it is Kirsty Coffil. The biggest event for all J.R.O.T.C. is the A.F.I., a program reviewed by a staff of Army personnel from Washington, D.C.

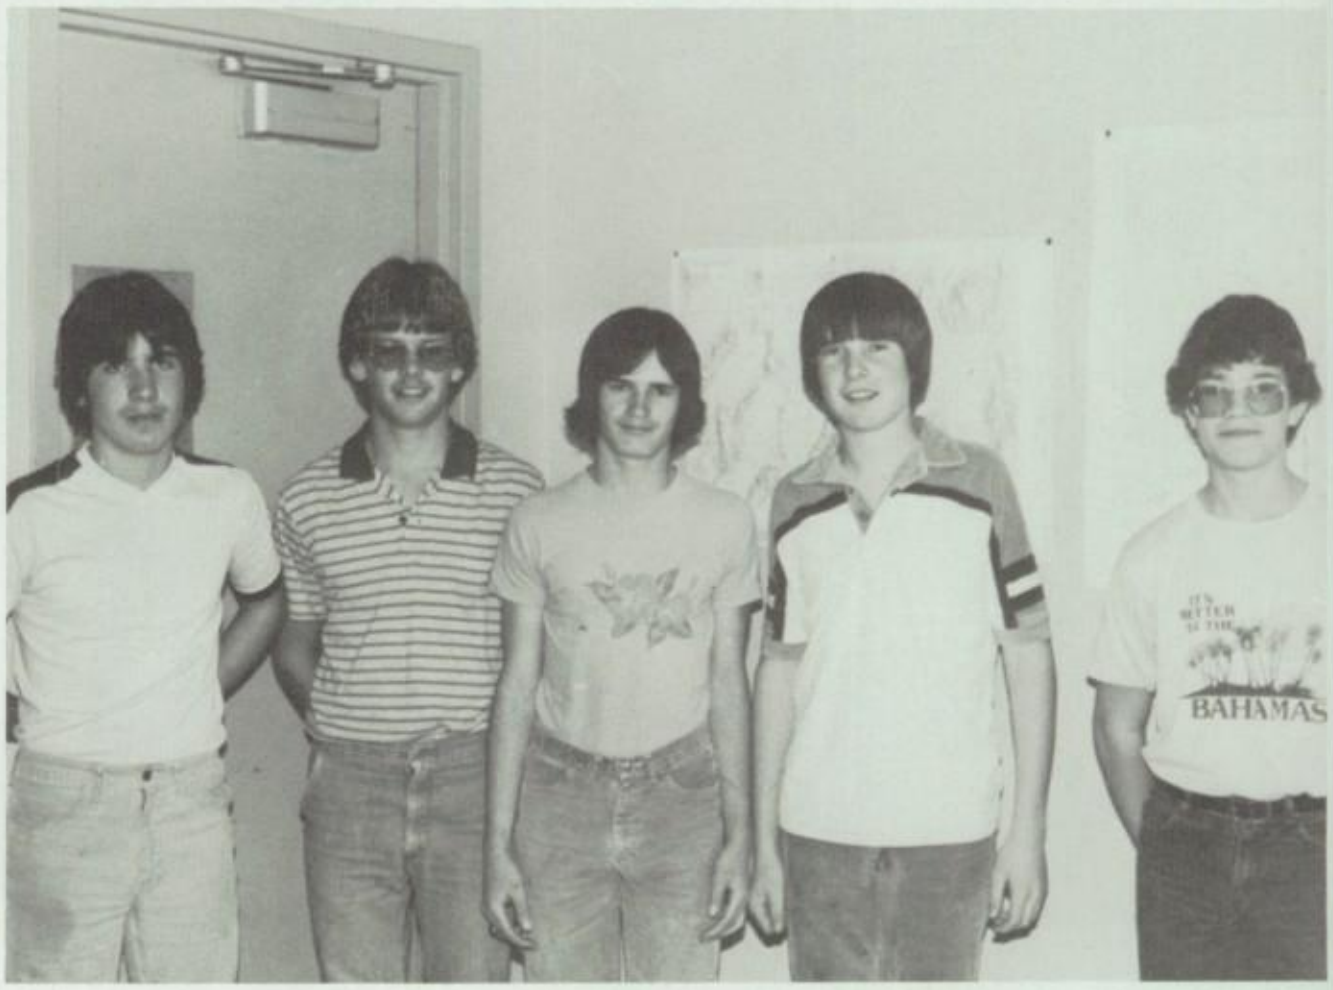
BE ONE OF THE ADVENTUROUS ONES



The Adventure Club, also known as the Rangers, is a group of guys from R.O.T.C under direct supervision of Major Wipf. They learn about repelling and mountain survival. This year they spent time planning for and organizing an over night trip to Hunter Creek. Unfortunately, deadline prevents us from recording the events, but the trip should be exciting.

THERE'S NO BUSINESS LIKE YOUR OWN BUSINESS!

Junior Achievement is a group of students who learn through experience about the business world. These students meet at night once a week for two hours to make products, such as book holders, paper towel racks, cutting boards, and other household products. They then sell the products for a profit, and may receive a monthly paycheck if their product and the sales program are successful! Not only do they sell and make products but also learn to keep records and to be good salespersons.

F.B.L.A.: THEY MEAN BUSINESS

Question: What is F.B.L.A.? Answer: Future Business Leaders of America. Question: What do they do? Answer: Members hold special training meetings in business and prepare for state competition. The fact is F.B.L.A. is one club that is experiencing while learning. Most of its participants are looking forward to a futuristic career in business and are beginning to build that dream.

The State Competition, which was held in Reno this year, is the most anticipated event of the year. Members received the chance to compete against other students from all over Nevada in several unique business-oriented events, such as typing, shorthand, and management. Selling candy and flowers were just a few of the fundraisers used to pay for convention costs.

The club was also very active outside of school and the business world. Members got together for dinner parties and skiing trips. They also distributed gifts to the elderly.

FUTURE WORKERS OF OUR COMMUNITY

Left to Right: Kenneth Edmund, Victor Bagley, Lisa Gutierrez, Bobbe Gustafson, Bill Tolbert, Michele Mershon, Damon Ingram, Marily Miller, Mike Fitzgibbon, Mrs. Bledsoe.

The Hero Club is a group of students who learn about getting a job in the outside world. In the daily, hour-long class they first learn about getting a job and then keeping it. They must get a job after the class has begun, and later they hold a banquet for the employers. They have other activities, such as fund raising to go on trips, listening to guest speakers, and holding a career day. The field trips they go on take them to restaurants, Meadow-Wood Mall, Weinstock's, and an accountant's office to learn about income tax. The club is involved in activities that are informative and useful.

TOP IS TOUGH

National Honor Society is a very special group of academically inclined students. The group is comprised of juniors and seniors only. Their membership is decided by their scholarship, leadership, service, and citizenship. To join this club is a great honor considering a 3.5 grade point average and nothing lower than a B- in citizenship is required. Besides maintaining high standards, the club this year hoped to spend time raising a five hundred dollar scholarship for one of their members.

HUMAN RELATIONS: GETTING TO KNOW YOU!

The Hug High Human Relations Club has experienced a busy and productive year. The members of this vital campus club have not only been involved in developing positive student relationships but have been concerned about the unmet needs of some community persons. Therefore, this year, the Human Relations Club has raised money by having a car wash, hosting a community Christmas dance, and having an Easter fund raising. The monies have enabled the club to provide Thanksgiving and Christmas baskets for deserving families. In addition, the members of the club are always willing to lend support to individuals who need assistance throughout the school year. For the past ten years the Human Relations Club has presented an outstanding Black History program that enables our staff and community to realize the many talents of the club members. Finally, (too late to be covered in the yearbook) the Human Relations Club hoped to raise enough money to provide a scholarship to further the education of a deserving student. No doubt the spirit of good will among the members of this contributing club will enable them to reach this goal.

STUDENT LEADERSHIP BET ON IT!

National Association of Student Council is a group of 1500 delegates, from all over the United States, parts of Canada and American territories, getting together to learn to be better Student Council Leaders. This year's program will be co-hosted by Hug and Wooster High Schools. The students will stay at host homes and participate in activities such as going to Carson City to watch legislative debates in session. Another jaunt to Sand Harbor will be taken to hear a speech on environment. They will also visit the Ponderosa Ranch and Bowers Mansion. A banquet at the M.G.M. will culminate the week's activities.

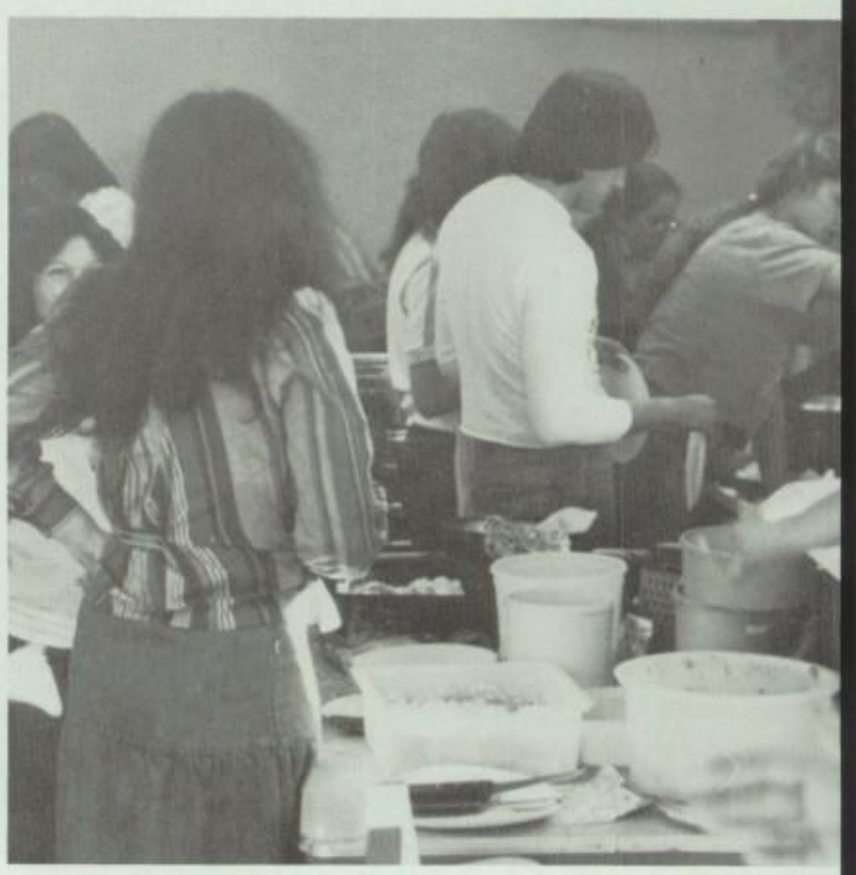
First Americans: Prime Examples



Our First American Club sets a prime example for the rest of us at Hug. Besides their annual Taco/ Frybread sale, they have an annual basketball tournament involving California, Oregon, Idaho, and Nevada teams. They also sponsored a former Hug student to a college in Kansas. Without their help, he would not have been able to go. Activities they do during the year include: pizza lunches, field trips to Indian Reservations, and a picnic at Pyramid Lake. This outstanding group is something to be proud of.

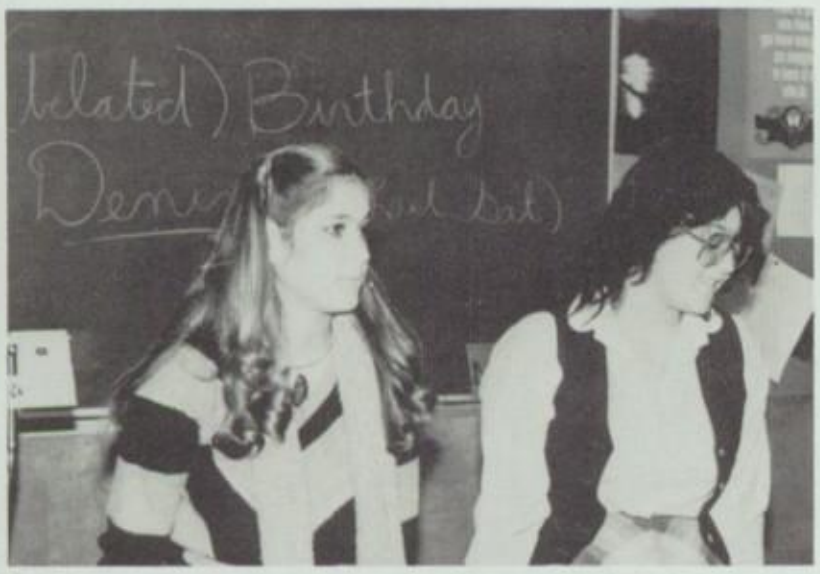
Keywanettes:
Handy Helpers

The Keywanettes is a community service group for girls in high school. They have been very busy this year. Besides serving Hug by cleaning the campus and taking down posters, these girls perform service to the entire community. The Keywanettes were "huggers" at this year's Special Olympics. That is, they hugged and complimented the special participants when they crossed the finish line. The girls are also making a scrapbook with pictures from newspapers and magazines. When the book is completed, the Keywanettes are donating it to the children's ward at Washoe Medical Center. This is just a sample of the many services that these "Handy Helpers" perform.



Hug's "Handy Helpers" include (left to right) Caroline Green, Vice President; Lori Dennis; Mrs. Legg, advisor; Denine Crossler; Sonja Zellers, President; (bottom row) Melissa Mach, Treasurer; and Renee Kolinoff, Secretary.

AU TRAVAIL!

The French Club has been doing excatly what the title says, "Working Hard!" This year they planned a trip (plans on-going at deadline) to Montreal, Canada! In order to raise money they sold candy, had bake sales, made a cookbook, sold Valentine hearts, collected aluminum cans, and tried their luck at Current. In addition to fund raising, the French Club also had guest speakers, French lunches, and filmstrips. One of the community projects was to make a Thanksgiving basket for an underprivileged family!

"ACHTUNG!"

Selling calendars and having a German dinner are only a few of the fund raisers the German Club had. They raised money to go to San Francisco, where they planned to visit the German consulate and some museums. The outstanding leader of this club was Mrs. Guinan, a native born German, who spent many hours trying to make the trip possible.

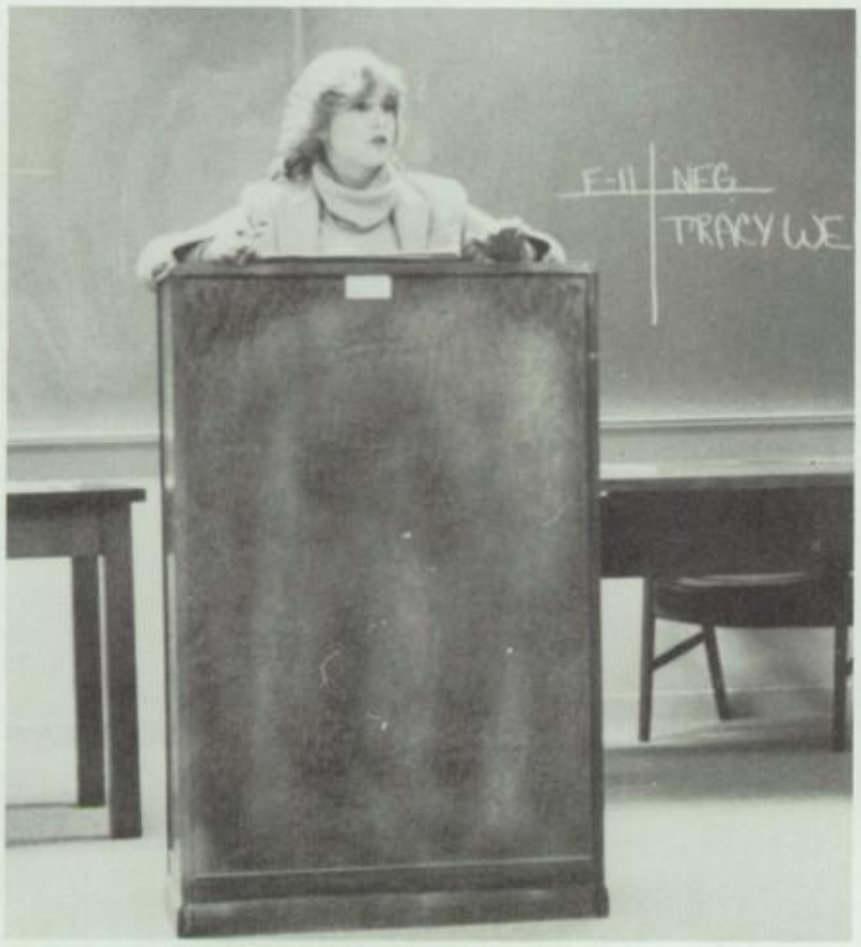
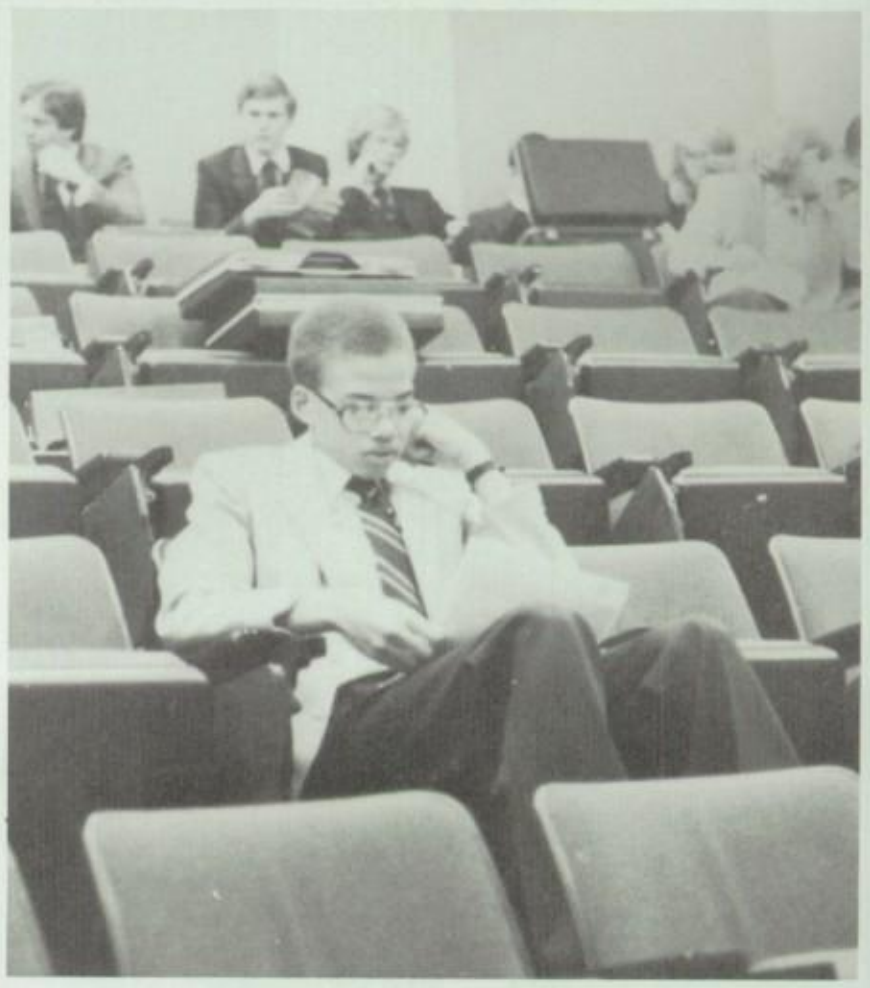
SPIRIT'S THE NAME OF THEIR GAME!

The Pep Club members spend most of their time raising money for school projects, such as buying red roses for the Homecoming Queens, giving money to Student Government so they could buy tuxes for the Basketball Homecoming, and donating funds to the Academically Talented. They also made and delivered cupcakes to the football and basketball teams, and all year long painted signs before sports events. A large group of these girls could be seen and heard at every game. School spirit is the name of their game.

Kathy,
(Yawn) Another boring school year. Just the usual games of Twister and quarters. Never cutting classes. All work and no play. Maybe next year will be a little better. God! I hope so. Maybe if I'm lucky we'll get together, go out to lunch and buy some Space meals. Oh well. Love myself, Jeanz J. Hall

THE ELOQUENT ELITE





Hug's Speech and Debate teams are "The Elite." These groups consist of students who are eloquent, forceful speakers and who love to voice their opinions. The teams travel throughout Northern Nevada as representatives of Hug in Speech and Debate tournaments. These tournaments include debates, oral interpretations, and many different types of speech competitions. Ms. Josette Jones is the supportive advisor of this group. Some of the more successful speakers include Jeremy Nork, Steve Peterson, and Tracy Weitz. Speech and Debate may not be a highly publicized organization, but the people in it represent an important part of Hug's student body.

Kathy: Boy, this has been one weird school year. I'll Do you miss Mr. Hanway? I haven't heard much about him. Oh well, I guess I kept him off your mind. Have a calm summer 'cause when you come back we're all going to be royalty seniors! Jordan '87

You know that group of people standing around in green, yellow, and orange outfits? They aren't beings from another planet but our own Hug High Harlequins. These students traveled from school to school performing in front of large groups of children. Not only did they bring smiles to many young faces but they also learned about working in theater. Mrs. Loomis, the outgoing advisor of this group, teaches her students to sing, dance, and to entertain.

PRESENCE NOTED

This year the marching band was always there to help cheer on the football team during intermission of home games. The band also played during intermission for the conference game. The Nevada Day and U.N.R. Homecoming parades were really exciting for the band to play in.

Hug's Concert Band played in both the Christmas and spring concerts. They also played in the District Band Festival.

Pep Band, which consist of selected volunteers from Marching and Concert Band, played at Pep Assemblies and Home Basketball games.

Hug's four members of District Honor Band all tried out for All-State to be held in Las Vegas. Jere Ballew, Kaylene Barnes, Charles Martin, and Hans Weinfurther were the District Honor Band Members. Due to deadlines, results were unavailable.

Band members are Tim Bakken, Jere Ballew, Kaylene Barnes, Jamey Beasley, Ernie Block, Nancy Burnette, Jesse Causon, Richie Carothers, Lisa Clark, Fritz Copeland, Sheldon Crago, Eric Crow, Kenny Davis, Ray Davis, Tom Deatherage, Teresa Erickson, Melissa Goade, Pete Gorris, Bobby Hines, Bill Howe, Roger Hull, Dale Hussey, Treena Johnson, Michaele Jones, Bill Kandaras, Shelly Lawson, Kelli Lazarcheff, Mike League, Sherry Lee, Aaron Lewis, Jamey Linker, Charles Martin, Troy Mershon, Sloan Molderhauer, Tina O'Hanlon, Ellie Oneyear, Laura Perdew, Joe Perry, Dave Phillips, Haus Rose, Lori Rose, Robert Shields, Cheryl Smith, Tim Teller, Jim Terry, Alex Vasquez, Hans Weinfurtuer, Garon Wynn, and Kathy Yorston.

SNOW BLIND!

This last ski season was the best we've had in the last 10 years. The snow was a perfect powder and the weather was never too cold for the Snow Blind Skiers of Hug. They went to Slide Mountain on Sundays and Boreal Ridge for night skiing on Fridays. Hug's Skiers also worked very hard to raise money by selling doughnuts to go to Mammoth in March. This has been a fantastic year for our skiers.

Cultured Hawks

A lot of people think that Hug's Art Club just sits around and draws things; they are right. Our Art Club can be given credit for the artwork done for the Student Council, NASC, props for plays, and the Christmas Art Sale. This year, with the help of their Vice-President, Tracy Robertson, they painted the AAA school plaques in the gym. Let's give these artistic Hawks a hand for their hard work and dedication!

Gifts Galore

If you needed a unique Christmas gift this year, chances are, you would have found it at the Art Club's annual Christmas Sale. This year's sale had as many gifts as Santa's bag ful of goodies. The sale items were made by the Art Club and the art classes. The profits went to an art scholarship fund.

AQUÍ HABLAMOS ESPAÑOL!

The purpose of the Hug Spanish Club is to maintain communication between English and Spanish speaking students. Members that participated in club fund-raising projects also helped develop and improve the school. The club advisor is Arma Mack; President, Kevyn Leeder; Vice President, Mary Gifford; Jack Davis, Secretary/Treasurer. The Spanish Club has planned to give another scholarship to a graduating senior and to send its members to Mexico in 1983.

The Science Club spent a lot of time raising money by selling Christmas trees and jerky. They visited the Planetarium and hoped to visit Monterey, where they would study tide pooling and basic marine biology. The club also sent two students, Ted DeRocher and Martin Mueller, to the Junior Science and Humanities Symposium to present papers: **The Utilization of Satellite Photographs To Locate Areas of Prospective Mineral and Petroleum Resources *and* Voice Control of Computers.** ***Results of competition were not available in time for deadline.***

Kathy
You're a very nice girl and
I'm glad that I had
the pleasure to have met
you. Have a fun summer,
and I might see you next year. If things don't
work out. Good luck and lots of happiness

"HAM"LETS! LITTLE WILLY'S GANG

The Shakespearean Club, spent most of its time raising money in order to take a fantastic trip to London, where the members visited Saulisbury Cathedral, Windsor Castle, Cambridge and Hatfield Palaces. One of their best fund raisers was a Shakespearean Feast, where they not only ate Elizabethan food and put on skits but also dressed in Elizabethan clothing. They did find time to sit back and relax with a potluck dinner and watch Romeo and Juliet. *If all that wasn't enough, a summer trip to the Ashland, Oregon Shakespearean Festival is also planned.*

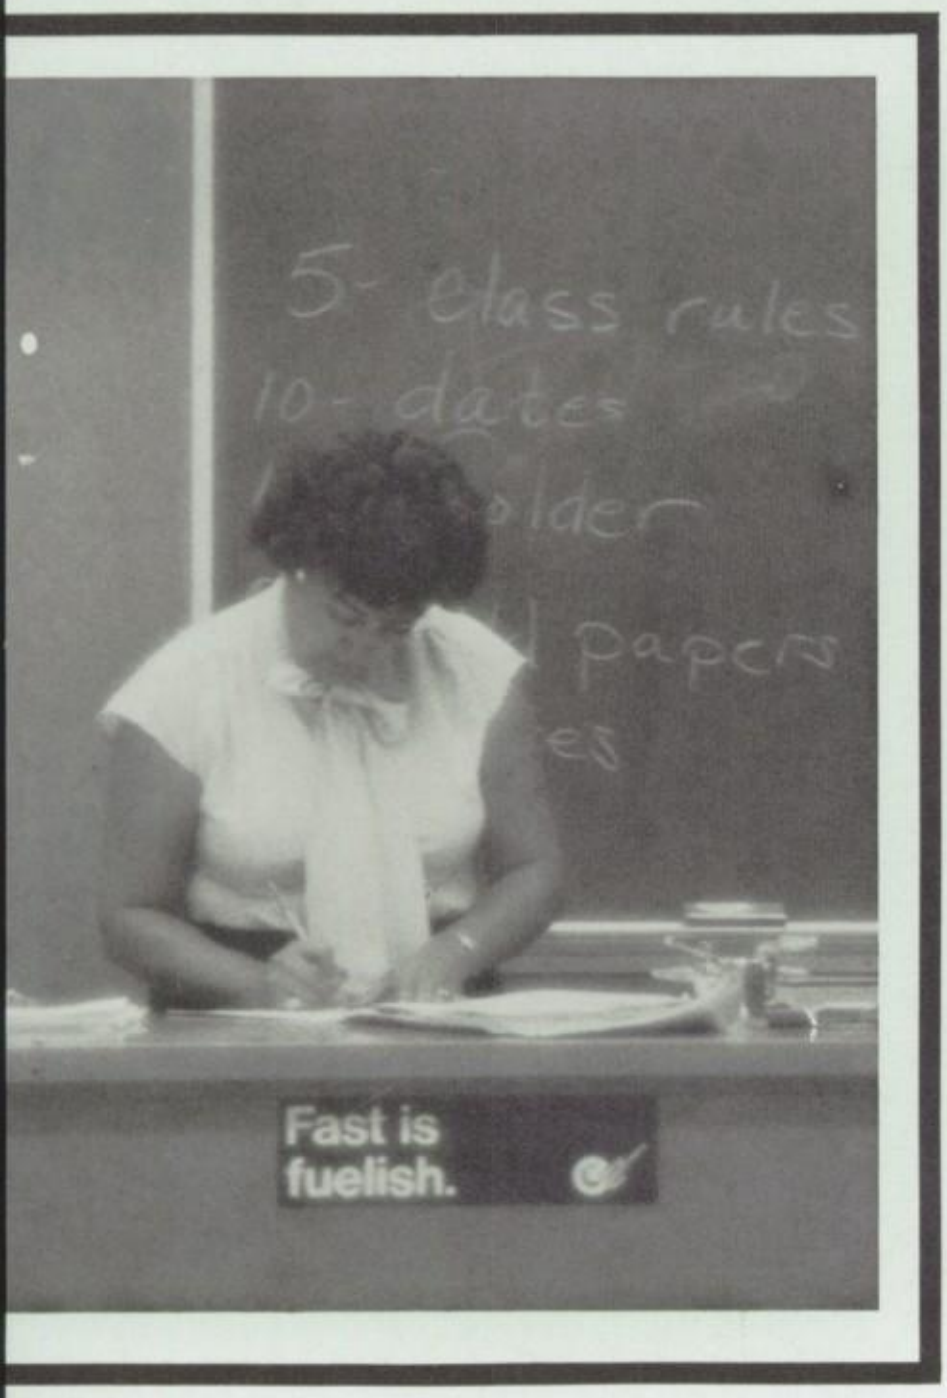
HOVERS . . .



THE HEAVYWEIGHTS

This year's administration consists of (standing) our Principal, Mr. John Gascué; our Vice Principals, Mr. Robert Corley, Mr. Dudley Cate, and (seated) Mrs. Leslie Reginato; and (right) our Dean of Students, Mr. Ben Zunino.

Hug's administrators carry a heavy responsibility. They make sure our school pulls its weight as the best school in Reno. Our administrators are strict, but this firmness shows their true concern for Hug and its students. Hug's strong but caring administrators are true heavyweight champions.

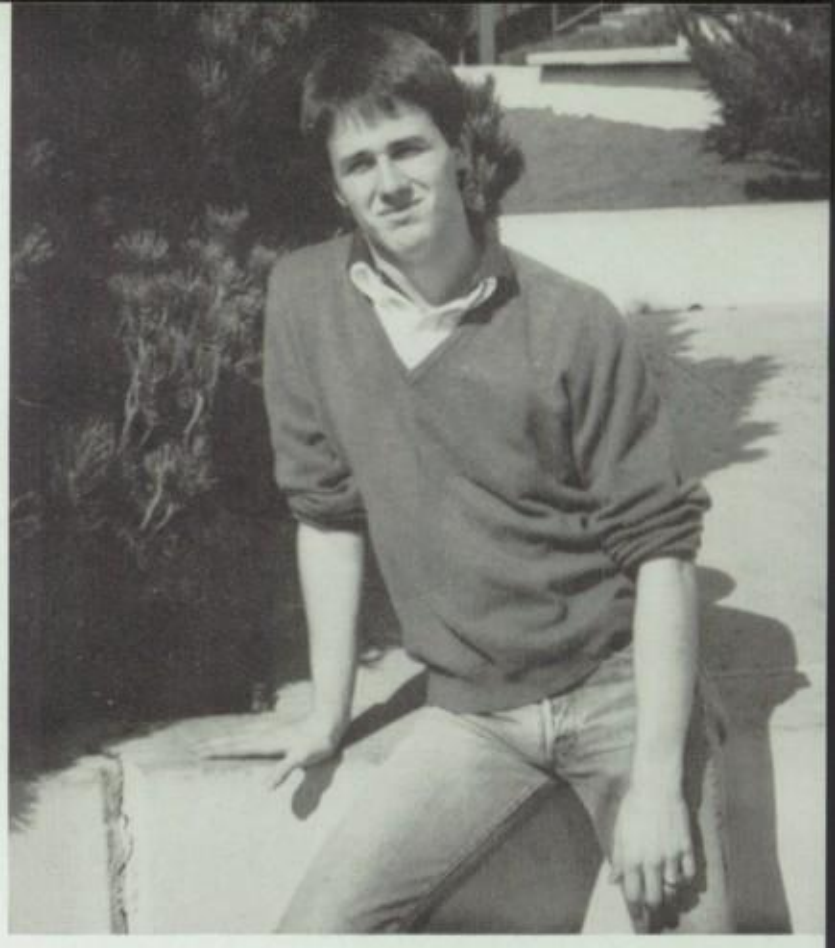
THE HAWK

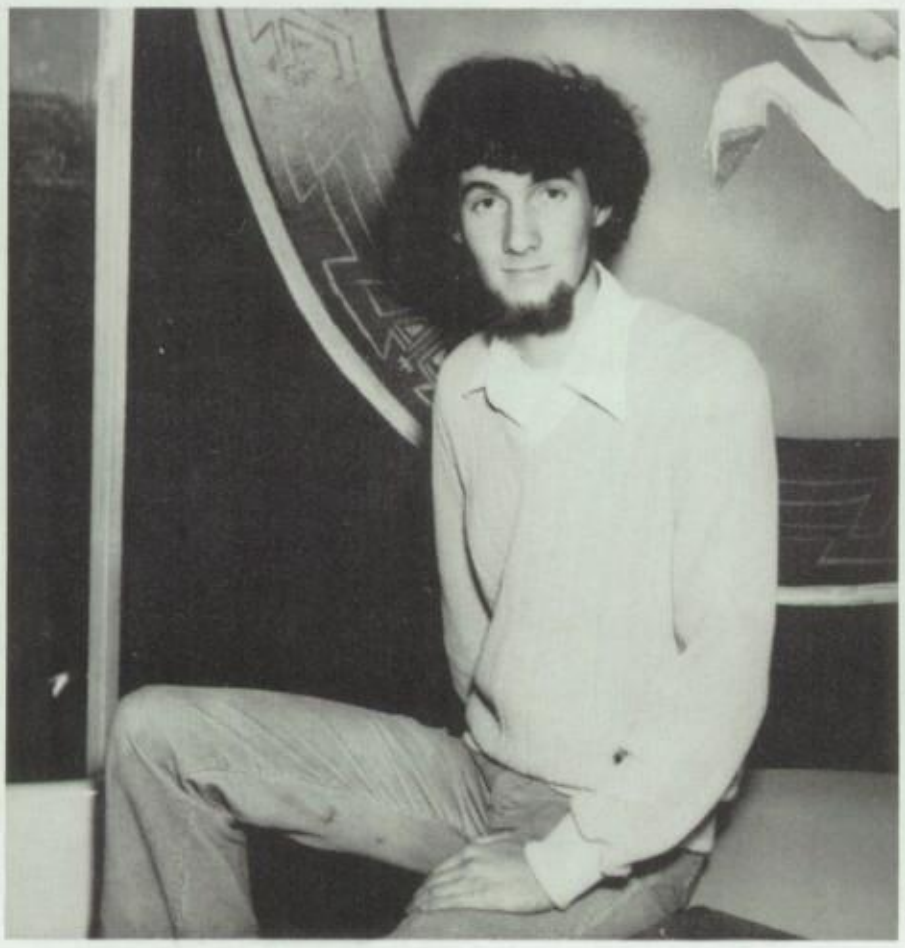
Hawks come in all different shapes, types, and styles. They range from the small sharp-shinned to the strong Red-tailed Hawk. Every one of its actions is governed by instincts hundreds of thousands of years old. But like Hug Hawks they all have one thing in common: communication in spirit and the will to be number one!

IS . . .

PEOPLE IN HIGH PLACES!

Hug's student body officers handled their important jobs very professionally. The outgoing officers will a hard act to follow, but so far the new administration has been doing an admirable job. These involved students have important responsibilities. Surely, they are a superior group.





1981-82 Student Body Officers:

HERE COMES THE JUDGE!

The purpose of the judicial board is to decide when and where elections are held in addition to distributing and collecting ballots. The judicial board also hears arguments which occur in school organizations and has the authority to determine who is right in such cases.

Back Row: Mr. Wright, Patty Priest, Bobby Davies, Walter Katz; Second Row: Delmas Whittaker, Mrs. Ross Isernhagen, and Cami McHugh.

Not pictured: Kim Hamilton, Suzette Tischler, Allyson Bogich, Chris Larkosh, Kevyn Leeder.

Student council kicked off Hug's school year long before school officially opened. The group met for a summer barbecue to plan Freshman Orientation. They also sponsored the year's first aloha dance to welcome all students to Hug. Next, the council threw itself into planning Homecoming. The group also undertook several projects such as popcorn sales, a blood drive, teacher appreciation week, and campus wide beautification. In addition, Student Council will be joining with NASC chairpersons to host the NASC National conference in June of 1982. This conference is the meeting of student leaders from every state and is quite an honor for local student councils.

'85 IS ALIVE!

Christy McKay,
Secretary

The freshman officers of 1982 consisted of Tonya Jones, President; Michelle Scott, Vice-President; Christy McKay, Secretary; Johanna Dejoya, Senator; Terry Rauh, Senator; and Mrs. Fry and Mr. Christensen, Advisors. The officers sponsored the Basketball Homecoming Dance, sold Spirit Buttons, and did a Christmas skit. They worked well together and planned to finish the year with still more projects.

'84 NEED WE SAY MORE

The sophomore class had a better start this year. They raised money by selling beef jerky and candy. In addition, they sponsored the Fall Homecoming dance and then got into the Christmas spirit giving the senior citizens a tree and presents. For their school project they hope to put a bench on the hill between the gym and the cafe. Also, they plan to do a goodby skit for the senior assembly. These last projects were not completed at yearbook deadline, but the sophomores sounded as though they had really entered the HAWK SPIRIT.

MOVIN' UP

Although the junior class was off to a slow start presenting a skit for the homecoming assembly, they had many plans for the spring semester. For example, they sold posters for fund-raising. For school beautification, they planned to paint the announcers's booth. They also worked on the prom which was held at the Sands Imperial room on April 24. Also Miss Garcia became their new advisor when Mrs. Foster left school to have a baby.

Left to right: Cathy Piersol, President; Kevin Lazercheff, Vice-president; Paula Ashley, Secretary; Marcy Isaac, Senator; Allyson Bogich, Senator; Mrs. Foster, Advisor.

SENATOR

This year's senior class had tremendous enthusiasm. Early in the year, they were involved in selling the class T-shirts. They have planned a marvelous beautification project: cementing the gravel portion of the rally court to include a sculptured outline of a hawk in the center. In addition, the seniors are planning a trip to Disneyland for grad night. The last year is always the one that brings some nostalgia. The staff wishes all graduates much good luck in the future.

THE HAWK

A soaring take off of the hawk is an overpowering jump off a branch into the strong wind. With wings raised and spread fully, the hawk is airborne, increasing speed to even greater heights and distances.

Doug's Football Uniform
by Mom

For four long years I've washed this uniform, and goodness, what a chore!
I've seen the grass, the blood and dirt, the stains and grime galore.
I've held it very gingerly, plugged my nose and thrown it in,
While thinking, "Oh gosh, next week I've got to do this job again.
I've opened all the windows as I've squirted on the "Shout!"
I breathed the fumes that clogged my lungs; of that I have no doubt.
I've spent a fortune on detergent, and of the time I've spent I shudder;
For four long years I've washed this uniform and harped, and complained, and muttered.
Today, I washed this uniform for almost the last time,
And after all these years of drudgery, you know, I didn't see dirt and grime.
I saw the young man who wears it with pride and dignity;
Suddenly, that football uniform looked beautiful to me!
I saw the hard work and dedication that my young man put in
For a chance to wear this uniform, to play the game and win.
I saw the excitement of the game, the celebration at its end;
I saw the team spirit, the support of coaches, and sometimes disappointed young men.
I saw the character and good friends that this uniform helped to grow,
And the young man who wears it is very special to me, you know.
If I had one wish that could be granted, the one I would adore
Would be to wash this football uniform for four years more.

THE HAWK

Although the hawk must hunt and kill its prey as a form of survival, hunting isn't the only thing needed for survival. The natural resources that this environment offers, provides the hawk with clean, fresh air, crystal clear rivers, and towering mountains. Nevada contains these qualties for surviving; and much like the hawk, we thrive on these sources.

Singing And Slapstik West Point Style

One of the year's surprising and definitely most successful events was the performance of the West Point Glee Club, from the United States Army Military Academy. The group played before a sellout crowd of 1,200 at the Pioneer Theatre for the Multiple Sclerosis Society. Although not all entire 63 cadets came to Hug, several unique groups entertained students at a special assembly. A pop vocal group opened and closed the program, but intervening performances were given: an imitation of Elvis and his band, a barber shop quartet (which seemed to be a favorite with the crowd) and a solo composer and vocalist. A surprised and pleased crowd walked out of the gym.

Spring Fever: "SICKNESS!"

As the grass begins to turn color, the days become longer, and the sun begins to burn a little hotter, a strange, yet sensational feeling invades our inner thoughts and actions. It's the sign of life and new beginnings. It's called SPRING- FEVER! And that is something that Hug seems to welcome with open arms. Lunch time awakens with frisbee, football, baseball, tennis, and other frolicsome sports antics. Some of the inflicted also like to make an attempt at an early suntan, while others are content just reading a good book under a shady tree. Whatever spring fever means, one signal we cannot miss: it's the season just before SUMMER!

As the hawk glides smoothly and gracefully through the blue sky, his thoughts are turned towards new destinations and new beginnings. Much like the hawk, the Talon *staff experiences similar thoughts during long, hard hours in C-11.*

After many long hours of thought and discussion the two of us and our wonderful advisor, Miss Zunino, chose "Hawk Action Through the Eye of the Hawk" as the theme for this year's Talon.

We hope this book will be appreciated, as we are proud of our accomplishment.

As editors we would like to thank Ross Photo for their photographic services; Mrs. Oates for handling our finances; Mrs. Tieslau for answering all our questions; Mrs. Slawnik's typing class for typing the senior directory; the social studies department for handing out questionnaires; Tom Scantlebury for never arriving on planned days (ha-ha); Bernard Zunino for getting the aerial shot for pages 2 & 3; and most of all Miss Zunino for putting up with all the headaches and heartaches throughout the year.
